NEW-BRUNSWICK

Mill Company.

Incorporated by An Act of the Legislature of New-Brunswick.

Capital Stock £100,000, with power granted to its Shareholders to increase that amount in Shares and Stock to £250,000. Stock divided into 5000 shares, at £20 each share, 25 per cent. to be paid in advance, to the Treasurers, and the balance in such sums, and at such periods as it may be required. Bye Laws and other Regulations, to be made by its Directors.

This Company has lately been formed in connexion with persons of Capital in England, the United States, and the British Provinces of America, for the purpose of erecting extensive Saw, and other Mills, on the Branches, Tributary Rivers, and Streams, of the River Miramichi.

The principal Establishment of the Company will be situated in the immediate neighbourhood of Boies Town, which place, with the several Mills on Burnt Land River, have been purchased by the Company from its present occupant, Mr Thomas Boies.

The New-Brunswick Mill Company contemplate building, at as early a period as possible, on the best situations in the Province, one hundred Saw Mills of the most superior kind, 20 of these are already contracted for, and will be completed in April 1837.

The large Forests in the vicinity of the branches, tributary rivers and streams of the Miramichi, have an inexhaustible supply of Saw Logs; and the larger portion of the timber growing in these forests must pass the intended Establishment of the New-Brunswick Mill Company, their situation is consequently rendered invaluable.

A few Shares of the above Stock remain unsold, and may be had by immediate application at Boies Town, of C. S. Putnam, Esq. at Fredericton, of J. V. Thurgar, Esq. at St. John, or of Messrs. Joseph Cunard, & Co. Miramichi, who have been appointed the Treasurers and Commercial Agents of the Company.
