The drowned man is thought to have been a C.P.R. employee, Melburne Seeley.

Hallowe'en was observed here very quietly, more so than in past years, and this coincides with reports from other parts of the Province. It must be the depression. The night before Hallowe'en some pranks were done, also some damage to property. A meat block, in front of McCrea & Ingraham's store was removed and rolled into the river. In doing so evidence points to the fact that the door of the NEWS office was broken in, probably by the block when it was rolled down the embankment or stairs.

Not long ago there was a gentleman, resident of Cuba, in Perth. He had just visited Prince Edward Island. The writer is not sure, but believes that he was in the seed potato business. He stated that in Cuba producers were receiving 75 cents for raw sugar and the cost of production was $2.00 a hundred-weight. That was the reason why we are not selling potatoes in Cuba to the same extent as formerly. They had to raise potatoes themselves, and place a high duty on all potatoes other than seed stock. He said that there would be few potatoes grown in Cuba if sugar could be sold at a profit.

CHILDREN! !

Have you told your friends and neighbors about the DOLL CONTEST?

If you tell them how much you want one of the prizes, they will be only too glad to help you. Every day in the week some of your friends have occasion to buy something at a Drug Store. If you can persuade them to buy all their drug store products at the Rexall Store during the contest, your number of votes will be greatly increased. Tell your friends that they can obtain at the Rexall Store everything that is carried by other drug stores at the same prices. Moreover, they can obtain only at this store the merchandise of the United Drug Co., at Rexall-money-saving prices.

Get busy right now, little girls, and try to win some of these wonderful prizes which will cost you nothing but a little effort..
