AN ARMISTICE PRAYER

So once again our God, power of heaven and earth,
We give Thee thanks:
For peace, for joys both past and now,
For life and land of birth—
That it has pleased
Thy sovereign will to give, and we still keep
Our land of maple leaves.

We thank Thee for our boys—honour unfeigned,
Their lives so freely given in our stead,
Our freedom at such a cost!
We owe them much, we feel their pain,
We see the broken hearts, we remember the strife;
O God, may we who live, because of their sad loss
Learn peace! Great God give us the spirit of sacrifice.

VERNA M. BOYER.

Tribute Paid To War Dead; Remembrance Day Ceremonies

Friday morning, in Grand Falls, Help in Ages Past," followed by a prayer by Rev. K. McLeod and then played "For All the Saints," Rev. W. J. Clarke gave an address and then read the roll call from the monument of the boys who paid the supreme sacrifice. The band again rendered "Onward Christian Soldiers" and the two minutes silence was observed and the last post sounded. The monument was beautifully decorated with wreaths from different organizations. The parade then proceeded to the cemetery and the returned men decorated the graves of the men who have passed away since returning home. From the cemetery the parade marched to the I.O.O.F. hall and was dismissed.

The programme held in Plaster Rock on Friday was a noteworthy event in every detail. At 10:00 a.m. returned men, Boy Scouts, Girl Guides, Brownies and Odd-fellows gathered at the I.O.O.F. hall and formed a parade. At 10:15 the parade, led by the Plaster Rock Community Band, playing "Onward Christian Soldiers," marched to the monument and lined up. The band rendered "O Canada," followed by a reading from the Bible by Rev. L. A. Knox.

The regular monthly session of Sisson Brook W.I. was held on Thursday at the home of Mrs. Fred Rollins, Mrs. Hamilton presiding. Meeting opened in regular form and the business of school and sick committees, etc., and new members appointed to act on these committees. The birthday party was reported a huge success, and Mrs. Chapman was complimented on her choice of presents, a biscuit jar in each case; also the recipients voiced appreciation.

Jubilee Institute was entertained at this meeting and a good representation present. The programme consisted of a paper by convener of public health and child welfare, Mrs. Ben Flanders, R.N. She chose for her subject, "The Feeble-Minded," as this has been brought to our attention recently by the provincial convener of legislation. She explained the difference in individuals, and stressed kindness to them and patience whenever we come in contact. This paper was supplemented by report of mental survey of N.B. in 1929 by Kiwanis Club. Also for further entertainment we had a spelling match in which the visitors also took part; community singing, led by Mrs. B. Flanders at the piano. The contents of a grab-bag, Hallowe'en novelties, was a source of much merriment. Mrs. Tapley, president of Jubilee Institute, expressed appreciation of meeting in a few well-chosen words and a standing vote of thanks given Sisson Brook W.I. for a very pleasant afternoon. Twelve members were present and eighteen visitors. Two new members reported. Decided to issue invitation to Wildwood Institute to visit us at next meeting.

The new grist mill owned by C. R. Brittain at River de Chute, as announced in a large advertisement appearing last week, is now in operation and doing satisfactory custom grinding, with excellent patronage.

The wheat flour mill is what is known as a long system mill, capable of producing good quality white flour. It was installed under the direction of Stafford Banks and John Meed, of Bristol. It is a matter of credit to this part of the country, not only the fact that local men could and did the installation. Grinding of buckwheat and feeds is also done at this mill.

Due to the greatly increased production of wheat and other grains in this part of New Brunswick the grist mills have been very busy this fall.

Delegation Will Go To Fredericton Today

At a meeting on November 1 of the Victoria County Council, with others than councillors participating, a resolution in regard to cutting lumber on leased Crown lands was made and a committee appointed to interview the Provincial Government. As the Cabinet meets in Fredericton today (Thursday) the committee, consisting of Councillors P. F. Hefeman and H. N. Dickinson and A. H. Baird, J. W. Corey and H. S. Wade, will interview the Government at today's session.

One lumberman has offered to cut 100,000 feet of veneer hardwood on lands now under lease, if the leasees will sell the stumpage, which to date they have refused.

The resolution was as follows: Whereas there is greater need for work in this county during the coming winter, and whereas there are certain lands belonging to the Crown and at present under lease, and the aforesaid lands are capable of being worked as logging lands even under the present depressed lumber prices, be it resolved that a committee of five persons, two Councillors and three from outside the Council Board be appointed to wait upon the Government for the purpose, if possible, of having such lands released for this purpose during this winter.

A wedding breakfast was served to immediate relatives at the home of the bride's parents immediately after the ceremony.

A wedding dinner was served at the home of Mr. and Mrs. Joseph St. Pierre, Caswell, Maine, and in the evening a reception was held at the home of Mr. and Mrs. John N. Vasseur, which was largely attended.
