Potato Yields Will Be Under Average Grains Are Good

Indications are that in North-west New Brunswick potato yields, due to blight, lack of spraying, small amounts of fertilizer used, and especially blight, will be under average, and some fields will not be worth digging, due to small yield and rot. Even well-sprayed fields have been affected by late blight. Reports from some farmers show that they expect a fair turn-out if rot does not develop any more between now and digging time. In these cases potatoes were planted early and sprayed six or seven times. Green Mountains are referred to particularly as Irish Cobblers, planted early, were not affected by blight to any extent, at least in regard to yield, although there may be some rot among Candler planting also.

The editor of the NEWS was present Monday when nine hills of Green Mountains were dug on the farm of C. E. Pickett, Hilldale. Mr. Pickett's potatoes are entered for certification. The nine hills averaged a little more than two pounds to the hill and only one or two potatoes with rot were found. These potatoes were planted on well drained land and sprayed six or seven times, and the stalks and many leaves as well, are still green. The rust will cut down the yield though, even on fields given the best of care.

Production of grains to the acre will probably be above average, although until more threshing is done reliable average figures cannot be obtained. A greater acreage was sown to grains, especially wheat. This has been a good year for buckwheat, cool and moist. Last year the buckwheat crop was practically a failure.

Losses Second Game with St. Stephen Nine—Many Witness Game.

Cracking out between them 27 hits for a total of 38 bases, St. Stephen Kiwanis and Grand Falls engaged in an old-fashioned slugger bee on the Grand Falls diamond Friday in the second game of their New Brunswick senior amateur baseball semi-final round. The visiting nine collected 16, all time-lime blows, and emerged victorious by a score of 12 to 5, thus qualifying for the provincial finals with either Saint John or Sussex.

By scoring six runs in the second inning, a triple, double, two singles and a pair of home errors, responsible, the Kiwanis, Maritime champions last fall under their Mohawks nomer, took a lead which was too great a handicap to overcome. They had earlier won at home, 7-1.

Despite the one-sided score, play was decidedly interesting and drew an enormous crowd from both sides of the border. A large contingent of St. Stephen rooters accompanied their favourites.

The southern club will now battle the Sussex-Martellos victor for the provincial crown and right to continue into the Maritime playoffs. Dates have not yet been determined.

Homesteaders Come Back

Grand Falls came right back in the second round and pushed three runs across, knocking Lee out of the box. The winners scored one in the third, one in the seventh and four in the ninth.

Grand Falls, aided by Bruce Burgess' big bat which smote a terrific home run, accounted for one run in the third. Grand Falls scored again in the fifth and that ended the scoring for the home nine.

Clark, who replaced Hill in the second inning, although hit hard was aided by sparkling fielding and held the locals in check.

For the winners Mitchell, Boles, Coffey and Lee did the heavy lifting. For Grand Falls Estey, with a double and two singles, and Burgess, a home run and double, were the big sluggers.

Coffey made two sensational catches in centre field.

The line-up: Kiwanis—Mitchell, 2b; H. Boles, 3b; Vanstone, 1f; Moffit, ss; Coffey, cf; McLean, c; Jellison, 1b; Lee, rf; Hill, p; Clarke, p.

UNITED STATES SEPTEMBER CROP REPORT EXPECTED TO SHOW REDUCTION

Late Blight and Rot Will Cut Down Crop in Maine it is Said.

The feeling is held by many of the potato growers and shippers in Aroostook county, Maine, that there will be a material reduction in the crop estimate that will appear in the forthcoming September report. Since the August report was made there has been a great change in growing conditions. Late blight and rust has worked havoc with the growing vines and investigations that have been going on recently show a large amount of rot is present. These conditions are due to the protracted spell of wet and humid weather.

A revision of the estimated acreage also, it is believed will show that there will be a reduction in this figure. These factors together with conditions that have tended to reduce the first estimates in other parts of the country it is expected will bring the estimate of the total crop down to a figure that will spell a better price to the farmers.

SOUTH TILLEY WOMEN'S INSTITUTE

Sixteen members of the South Tilley Women's Institute met in the hall on Thursday, September 1 for their regular monthly meeting. The chief business of the day was the report of the committee on the approaching county fair and after the available time had been taken up it was agreed (on motion) that a special meeting should be held on September 22, also that programmes should be dispensed with until after the October meeting.

A number of visitors joined us in attendance of the good things provided as generously by the hostesses Mrs. Dionne Mrs. Lavinia and Mrs. Britt. Serving was taken care of by the young girls, Ruth and Frances Langen, Marion Jersey and Jean Paul.

Pringle-Freeze Wedding at Sussex

The marriage of Mary Wenonah Freeze, only daughter of Judge and Mrs. J. Arthur Freeze, of Sussex, to Rev. Gordon Campbell Pringle, only son of Rev. Gordon Pringle and the late Mrs. Pringle, of Kincairdine, which has been anticipated with much interest by their many friends throughout the Maritime Provinces, took place in the United Baptist Church, Sussex, at three o'clock Friday afternoon, September 2, the pastor Rev. N. A. MacNeill, D.D., assisted by Rev. Gordon Pringle, father of the groom, officiating.

The church was beautifully decorated, being banked with a variety of summer flowers in a colour scheme of pink and white. The church was filled with relatives and friends of the young couple. The bride entered on the arm of her father, to the strains of Lohengrin's bridal chorus, played by the organist, Mrs. Edith Ervine. During the signing of the register, Mrs. Leonard Smith, Sussex, sang "Until," and at the close Mendelssohn's wedding march was played by Mrs. Ervine.

The bride's only attendant was little Miss Barbara White, who was flower girl. The groom was unattended. F. W. Brown and Gordon Malcolm, of Saint John, were ushers.

The bride, who was given in marriage by her father, looked charming in a gown of white French eyelet lace, with silk net veil and orange blossoms. Her slippers were of corded silk, to match her gown, and her bouquet was a shower of roses. The flower girl wore a dainty frock of rose oramide, made in period style. A quaint little poke bonnet and lace mitts completed her costume. She carried a basket of sweet peas and gypsophila. The mother of the bride wore a stylish gown of wine coloured chiffon and lace, with matching hat.

After the ceremony an informal reception was held at the home of the bride's parents, when relatives and intimate friends of the bride and groom were present. The house was tastefully decorated with garden flowers in pink and mauve.

After the reception the young couple left by automobile for a motor trip through the Maritime Provinces, following which they will take up their residence at Montague, P.E.I., where the groom is pastor of the United church. For travelling the bride wore a smart brown and fawn ensemble with collar of caracul, close fitting hat and shoes and bag to match.

Gifts to the ushers were bill-folds, to the flower girl, a jewelry case and a ring, to the organist, a leather handbag and to the soloist, a silk afternoon bag.

The bride graduated this year as bachelor of arts from Dalhousie University, Halifax. She was active throughout her university career in social work, and this year represented Dalhousie at the 11th quadrennial conference of the Student Volunteer Movement, at Buffalo, N.Y.

The groom, a graduate of Dalhousie in 1929, and of Pine Hill Divinity Hall in 1932, was ordained to the United Church ministry at the last annual Maritime United Church Conference held in Sackville, when he was appointed to the pastorate at Montague.

The popularity of the young couple was evidenced by the beautiful display of wedding gifts.

Out-of-town guests at the wedding were Rev. Gordon Pringle, Kincairdine; Miss Helen Pringle, Moncton; Miss Hattie Pringle, Kincairdine; Mr. and Mrs. R. Harris Chapman, Sackville; Mr. and Mrs. Harold Colpitts, Lewisville; Mr. and Mrs. C. W. Redmond and Miss Dorothy Redmond, Moncton; David F. Brown, who recently passed his 96th birthday; Mr. and Mrs. W. C. Brown, Miss Florence Brown, Miss Doris Brown, Mr. and Mrs. I. Elmer Brown, Northport, N.S.; Mr. and Mrs. Walter Lusby, Amherst; Rev. and Mrs. Donald Sinclair, Valleyfield, P.E.I.; Mr. and Mrs. S. E. Vaughan, St. Martins; Mrs. Leicester Coit, Chelmsford Centre, N.B.; Miss Audrey Vaughan, Miss Arvilla Gilmer, Mrs. Elizabeth Love, Mr. and Mrs. Fred Duboyce, Miss Muriel Love, Robert Love, Daniel Love, St. Martins; Miss Doreen Harper, Saint John, and Miss Jean Leslie, Dartmouth, N.S.

MAY BE BOOST IN POTATO PRICES

New Brunswick, for the first time in several years, will be faced this autumn by a shortage of potatoes, bringing a welcome increase in prices, in the general opinion of provincial growers and shippers.

Between a reduction in plantings from last year and heavy reduction due to late blight, it is expected that the yield will be only about half of the normal output in the province.

There will be no surplus of table stock for export to the United States this year, in the opinion of one shipper. The farmers will need their output to supply provincial and Canadian needs, and in the Dominion itself a shortage before spring is possible, with a further buoyant effect on prices.

PARRISH-DEMERCHANT

On August 30 Miss Madeline Demerchant, of Beechwood, Carleton county, and Burgess Parrish, of Riley Brook, were united in marriage at Bath, Carleton county, in the presence of immediate relatives.

PIRIE-GRIFFIN

A wedding of interest took place at St. Agn's Church, Debec, on August 9, at nine o'clock, when Mildred Josephine Griffin, daughter of Mr. and Mrs. John Griffin, and Hubert G. Pirie, son of Mr. and Mrs. James Pirie, Pearl, were united in marriage in the presence of a large number of friends and relatives. Rev. C. J. McLaughlin celebrated nuptial mass.

The bride wore a dress of nassau blue, with a white hat, and carried a white prayer-book and rosary. The matron of honour was Mrs. Harry McComb, sister of the bride, who wore a monet blue dress with hat to match. The groom was supported by Harry McComb.

The bride entered the church to the strains of the wedding march played by Miss Marie Crabbe.

Later a wedding breakfast was served at the home of the bride, which was prettily decorated, the centre of the table being adorned by a bride's cake, surmounted by a miniature bride and groom.

The bride is a graduate of the Provincial Normal School and has successfully carried on her work for a period of three years in the schools of New Brunswick.

After receiving the good wishes of all their friends, Mr. and Mrs. Pirie left for their future home at Rowena.

North Shore Paper Comments on Play-Offs

What the Newcastle baseball team thinks of the Grand Falls team and the play-offs in general, taken from the North Shore Leader:

The Grand Falls baseball club defeated the locals on Wednesday and Thursday of last week, in Grand Falls, by the score of 4-2 and 7-4, Newcastle having previously won the first game here by the score of 10-3.

The locals returned home Friday morning and spoke highly of the splendid manner in which they were received by Grand Falls. It was the general opinion among the local players that Grand Falls are as snappy fielding and hard hitting a team as any amateur ball team in the province. The consensus of opinion among the Newcastle players is that the Grand Falls team should give an excellent account of themselves in the remaining games of the N.B. baseball play-downs.

The Newcastle club wishes Grand Falls every success in their remaining play-off games.

Were the Play-Offs Arranged to Suit the Moncton Club?

The baseball fans, and public in general, of the North Shore feel that the Newcastle and Dalhousie clubs have been discriminated against. Newcastle and Grand Falls were ordered to play and Dalhousie and Sussex were scheduled to play in another series. Dalhousie had to withdraw, being unable to meet the expenses of a three day trip to Sussex and the players would lose too much time from their work for one game. The expenses of the Newcastle team to Grand Falls were almost \$200, which, if the play-offs were properly arranged, together with their home games, would have been sufficient to carry them through to the finals, providing they were not eliminated.

It looks as if "Gus" Chisholm, of Moncton, when he drew up the play-offs, did not want the Moncton C.C.'s to play in the semi-finals with Newcastle, because they felt Morrell and his team-mates would eliminate them. Newcastle almost eliminated the C.C.'s last year, and having won the Miramichi title this year without a play-off, by topping both sections of the league, Moncton figured Newcastle stronger than last year—and without a doubt they are.

For the best interest of all concerned the first round in the N.B. baseball play-offs should have been Dalhousie vs. Newcastle—Grand Falls vs. Fredericton—St. Stephen vs. Saint John—Moncton vs. Sussex, thus saving a loss of time from work and being much more profitable from a financial standpoint.

Where were the executive of the M.B. of A.A.U. of C. when they allowed the play-offs to be drawn up in such a manner? Are they interested in developing clean amateur sport? If so they should investigate this matter and appoint a competent, unbiased man to draw up the play-offs.

Newcastle have always played strictly simon-pure baseball and have paid considerable moneys into the treasury of the M.B. of A.A.U. of C. and they feel that they should be given some just consideration.

TWO PROVINCIAL TENNIS CHAMPIONSHIPS HELD BY ANDOVER MEN

Two 1932 New Brunswick tennis championships were held by Andover men: the veterans' doubles title, and the veterans' singles title. The Provincial tournament was held at Newcastle this year, in August, and Guy G. Porter and Ralph G. Waite then won the doubles title in the veterans' events. They each also won in semi-final play for the singles title and on Saturday, September 3, played each other on the Andover courts for the title. Mr. Waite won after a long duel, the sets resulting as follows: 3-6, 8-6, 6-3. The battle lasted almost three hours. Messrs. Waite and Porter were the only New Brunswick entrants winning cups this year, all the others going to outsiders.

UNEMPLOYMENT RELIEF

From September 1, subject to approval by the Federal Government, the Provincial Government of New Brunswick will participate with the various municipalities of the province in providing direct relief, where necessary and in accordance with the provisions of the federal act, on a basis of one-third to be provided by the Federal Government, one-third by the Provincial Government, and one-third by the municipality.

This statement was given out by Hon. C. D. Richards, premier of New Brunswick, at the conclusion of a two-day session of the Cabinet in Saint John.

This plan of relief is on the same basis as in effect last year. Premier Richards stated that he anticipated receiving formal approval from the Federal Government in the near future.

Successful Field Day Held By The Perth Baseball Club

Two Games of Ball Played—Supper Served—Satisfactory Sum of Money Realized.

The field day put on by the Perth Baseball Club on the local diamond Friday afternoon, September 2, was a marked success, the sum of \$110.00 being realized, which will be used to pay for equipment and the new suits which the team now have. Friday morning the weather did not look very favourable and some rain falling, but by noon the weather was perfect. The main events of the afternoon were the two ball games, Perth losing to Westfield and winning from Aroostook. Large crowds gathered early in the afternoon and the grounds were packed with people and automobiles from up and down the river and from Maine.

Perth played Westfield, Me., in the first game, score 16-8 in favour of Westfield. The game started with Brown on the mound for Perth, and Pete, a university man from Maine, on the mound for Westfield. The locals made six errors in this game which put them on the losing side. J. McCrea went on the mound in the seventh, Brown taking his place in the field.

Son of Mr. and Mrs. Thomas Smith, Arthurette, Playing on Track Struck by Engine of Tobique Branch Train—Recovering from Bruises and Scalp Wound.

Although bruised and badly scalped, Donald, two-year-old son of Mr. and Mrs. Thomas Smith, Arthurette, had a fortunate escape from a mangled death on Friday.

Playing on the track near his home he was struck by the engine of the C.P.R. Tobique branch train proceeding to Perth. The train was not moving fast at the time, slowing down for the station, but although the engineer saw the lad and immediately applied the brakes he was unable to stop the train in time to prevent hitting the child.

As the engine approached the boy the engineer watching with straining eyes saw him apparently disappear beneath the engine. As soon as the train was stopped he got out, with other members of the crew to find the boy lying beside the track, bloody, but conscious.

Rushed to Perth in an automobile the boy arrived at Dr. A. F. MacIntosh's office about one o'clock. Not only bruised but scalped, having been struck in the centre of the forehead and the scalp peeled back to the rear of the head, the boy was given ether and the scalp replaced, several stitches being required. Dr. MacIntosh was assisted by Mrs. George Wright, Andover, and the boy is now resting comfortably at Mrs. Wright's private hospital.

When the accident happened the boy was walking toward the train, stepped to one side, was struck by the buffer beam of the engine and thrown clear of the track. Kenneth Bartlett was the engineer and Allen Talbot conductor of the train.

After supper another game of ball was played, Perth winning from their old rivals, Aroostook by a score of 8-6. J. McCrea was in the box for the losers and C. Kerrigan for the winners. Although some errors were made on both sides the play was exciting throughout the game, Donald Armstrong did some very good fielding in both games, while Sam Winchester, the veteran catcher, did good work for Aroostook behind the plate.
