Tired and Weak

Mrs. Liedtke Says Dr. Williams' Pink Pills Made Her Strong and Happy

"I was run-down and in bed for a month and my friends told me I was looking as if I had lost my last friend. I was terribly weak, and didn't know what I was going to do. Prescribed medicines didn't do me any good. I was advised to try Dr. Williams' Pink Pills—and they certainly did the trick." Writes Mrs. Fred Liedtke, Wingle, Ont. "I have now a good appetite, and I am strong and healthy and able to do my household work."

Dr. Williams' Pink Pills remove the cause of weakness and nervousness by creating new red blood, which builds up the exhausted nerves and restores vigour. Run-down conditions are steadily benefited as the enriched blood stream reaches and revitalizes the entire system. Growing girls are greatly helped by Dr. Williams' Pink Pills. Now Does Her Own Housework

Miss Jessie Marie De Both makes her delicious

Apple Dumplings with Magic Baking Powder

"WHEN a young housewife asks me what baking powder she should use," says Miss De Both, director of the famous De Both Home Makers' Cooking Schools, "this is my advice: Use the best—one that is pure, uniform and invariably dependable. You can't use second-rate baking powder and expect first-rate results. "My experience with Magic has been particularly happy. I find that it never varies—that it is consistently reliable. And I know it is pure, and free from harmful ingredients." Statements by other well-known cookery authorities give wholehearted support to Miss De Both's judgment. In fact, the majority of dieticians and cookery teachers throughout Canada use and recommend Magic exclusively.

Apple Dumplings 1 quart flour, 1 1/2 cups milk, 2 teaspoons Magic Baking Powder, 1/2 teaspoon salt, 2 tablespoons butter, 1/2 cup sugar, 1/2 cup apples, 2 tablespoons butter.

Sift into a bowl flour, baking powder and salt. Rub in the butter. Add cold milk to make soft dough. Turn out on to a floured board and roll into a sheet. Cut in squares. Peel and core the apples. Place an apple on each square of dough. Fill the core with a small piece of butter, sugar and a little cinnamon. Fold the dough over, taking care that there are no openings, as the steam inside dumpling cooks the apple while dough is baking. Brush dumplings with a little cream, and place in greased pan. Bake in moderate oven at 400° F. about 40 minutes. Serve with cream or hard sauce.
