friendly action of England the Alabama depredations would not have occurred. He concluded by advising the appointment of a mixed commission for the proper adjustment of the question. John Stuart Mill, W. E. Gladstone Mr Forster and others took part in the debate.

LONDON, *March* 8.—Nearly all the leading journals have editorial articles an the debate in Parliament on Friday night on the Alabama claims. The *Times* says:—The debate must convince the United States that England wishes to settle the law in this case in the American sense, and that the failure of Great Britain to refer the Alabama claims to arbitration is not due to desire to avoid her just obligations. Mr. Seward has only to meet Lord Stanley in a like spirit to end the misunderstanding. The tone of the articles in the other journals is generally the same.

PARIS, *March* 8.—In the Corps Legislatif last week, the clause in the press bill, which subjects persons connected with public journals to forfeiture of their electoral rights as a punishment for certain offences was rejected by a decisive vote.

LONDON, *March*, 9th.—The House of Commons this evening, in reply to an inquiry from Mr. J. Harvey Lewis, Mr. Gathorne Hardy, the Home Secretary, stated that the police had been previously informed of the plot for blowing up one of the walls of Clerkenwell prison and effecting the release of the Fenian prisoners. Their informant, who was within the prison, was to give them notice when the conspirators approached to light the fuse by throwing a white ball over the wall, whereupon the police were to seize the guilty parties.

On the night before the explosion a cask of powder was seen in the street, but as no attempt was made that night the preconcerted signal was not given. The powder was allowed to remain and no arrests were made. The police supposed that the execution of the plot was postponed to the following evening, and were oft their guard when the explosion took place unexpectedly during the day.

Mr. J. McLeary Brown left the British Legation in China, and was accredited to act as Secretary of Legation to M. Burlingame on his mission for the Chinese government, with the full consent of the British Ambassador, who endorsed his credentials.

Incalculable harm is inflicted on great numbers by the use of purgatives which contain mercury or mercurial matter. Parson's Purgative Pills are free from all such injurious matter, and are the mildest in their operation of any known purgative.

Valuable for the horse as it is for man. Blood's Rhemuatic Compound is the best article that can be used for sprains, strains, and saddle galls, and may be given internally when any stimulating remedy is needed.

CAUTION!—In our changeable climate, coughs, colds, and lung diseases will always prevail. Consumption will claim its victims. These diseases, if taken in time, can be arrested and cured. The remedy is *Dr. Wistar's Balsam of Wild Cherry.*

Dr. Wistar's Balsam of Wild Cherry.

Where this article is known it is a work of supererogation to say one word in its favor, so well is it established as an unfailing remedy for *Coughs, Colds, Bronchitis, Croup, Whooping Cough, Asthma,* diseases of the *Throat, Chest and Lungs,* as well as that most dreaded of all diseases, *Consumption*, which high medical authority has pronounced to be a *curable disease.* Those who have used this remedy know its value; those who have not, have but to make a single trial to be satisfied that of all others it is the *remedy.*

FROM W. Y. ARCHARD, ESQ.,
Late Chief Apothecary to the Hospital, Glasgow, Scotland.

BRADFORD, C. W., Jan. 6th, 1864.

Messrs. SETH W. FOWLE & SON,

Gentlemen:—About a year since my wife and children were afflicted with severe coughs, for which I tried many remedies, without benefit. At length by the use of a small quantity of DR. WISTAR'S BALSAM OF WILD CHERRY they rapidly recovered. I know of several other persons who have used the Balsam with remarkable effect, and I can with confidence recommend it to all suffering from *Pulmonary Complaints.*

Yours truly, W. Y. ARCHARD.

It Cures Troublesome Coughs.

PORT HOPE, C. W., Jan. 13, 1860.

Messrs. S. W. FOWLE & SON,

Gentlemen:—This certifies that I used DR. WISTAR'S BALSAM OF WILD CHERRY for a troublesome cough of some months' standing, and its effect was speedy and permanent. I believe it is an excellent remedy for pulmonary complaints, and with pleasure recommend it as such.

Yours truly, THOMAS LITTLE.

Prepared by SETH W. FOWLE & SON, 18 Tremont Street, Boston, and for sale by Druggists generally.

For Sudden Colds, Coughs, &c.

Sudden colds and hard coughs can be cured immediately, as hundreds can testify, by mixing about one teaspoonful of "Perry Davis' Vegetable Pain Killer" with four tablespoonfuls of molasses, mixed well together, and taken as your coughing spell comes on; three teaspoonfuls of the mixture will answer for a dose. Also rub a little of the Pain Killer on the hands, and inhale the scent of it into the lungs. After you have taken the medicine, bathe the throat and around the collar bone, also across the upper part of the breast and down the sides, if they have been made sore by coughing, and you will soon get relief if you do not neglect it too long. The sooner this medicine is applied the more speedy the relief. In all cases, if you do not get relief in thirty minutes, take it again, and bathe freely according to directions.

NEW ADVERTISEMENTS.

ARMY CONTRACT.

SEALED Tenders, in duplicate, will be received at this Office until noon, on MONDAY, the 16th inst., from all persons desirous of entering into Contract for the supply of Straw in such quantities as may be required from time to time, for one year from 1st April, 1868, to 31st March, 1869.

The Tenders to state the rate in Sterling per ton of 2240 lbs., for the quantity required, about twenty tons, more or less, deliverable on the order of the Barrack Master, and at the expense of the Contractor, to the several Barracks at this Station. Also for such quantities as may be required by the Commissariat Department for the use of the troops encamped at the Rifle Range or within six miles of Fredericton, deliverable on the order of the Senior Commissariat Officer, and at the expense of the Contractor.

The Straw to be Oaten or Barley—clean, dry and good—and subject to the approval of the Officer concerned, whose decision shall be final, and if disapproved of by him, it shall be immediately replaced by straw of proper quality; in default of which, the Commissariat Officer will have the right to purchase at the expense of the contractor. The old Straw to be removed at the Contractor's expense if required.

Weight to be Imperial English.

Forms of Tender, as well as all information, will be given on application.

Tenders must state the rate in Sterling in words, and must have affixed thereto the signatures of two persons of unexceptionable responsibility and known property engaging to become bound with the party tendering in the penal sum of £50 Sterling, for the due and faithful performance of the Contract.

The right to reject all or any of the tenders is reserved.

DR. LA'MERT on the PHYSIOLOGY of MARRIAGE: a Popular Medical Review of its Social Moral, and Physicial Obligations and on the various Disqualifying Cau es which in both Sexes provent the fulfilment of its Personal Duties and the attainment of its legitimate objects. With an essay on the Functional Disorder of the Reproductive Organs arising from solitary habits or excesses, and on the Treatment and Cure of Nervous Debility, Physical incapacity, Spermatorrhœa, Impotence, and Sterility—founded on the result of 25 years' successful practice.

By S. LA'MERT, M. D., L. S. A., &c.,
37, BEDFORD SQUARE, LONDON.

A distinguished Queen's Counsel, in addressing the Court of Queen's Bench in reference to this work observed "This is an extremely valuable book, written by an eminent and experienced medical man upon one of the most important and interesting subjects of life, which every one, married or single, ought to be acquainted with." It points out how all the attributes of Manhood can be preserved to an advanced period of life, how they are lost, and how they can be recovered.

DR. LA'MERT, Doctor of Medicine of the University of Erlangen, Licentiate of the Royal Society of Apothecaries of London, Honorary Member of the London Hospital Society, &c., is the only regularly qualified practitioner, who, for 25 years, has devoted his entire attention to the cure of these disorders, which imperil the very fountain of life, health, and vigor, but which, owing to the great discoveries of modern science, are rendered subservient to a rational, simple, and easy mode of treatment.

At home for consultation, personally, or by letter, from 10 till 2, and from 6 till 8, daily, at his residence, 37 Bedford-Square, London.

Patients residing in the Colonies can be successfully treated by correspondence, and remedies can be forwarded in secrecy and safety to any address.

THE PHYSIOLOGY OF MARRIAGE may be had of the undermentioned Agents, price cents, free by post, 60 cents.

SARSAPARILLIAN!

And its Wonderful Curative Associates,
Prepared by a newly discovered process, enters into the composition of

RADWAY'S RENOVATING RESOLVENT!

THE extraordinary cures of Chronic, Scrofulous, Skin and Syphiloid Diseases, and the marvelous powers of RADWAY'S RENOVATING RESOLVENT in affording almost immediate relief and permanent cure of Gravel, Albuminuria, Calculous Concretions, Weakness and Irritation of the Bladder and all diseases of the Kidneys, Bladder and Urinary Organs, by *communicating its curative properties through the Blood, Sweat and Urine* have elicited enquiries from eminent physicians of the United States, England and France, as to the difference between the SARSAPARILLIAN used in RADWAY'S RENOVATING RESOLVENT and ordinary Sarsaparilla.s

Sarsaparillian is *but one* of the ingredients that forms this wonderful *compensating* as well as purifying and strengthening remedial agent. It is the only part of the root wherein the *curative virtues* of Sarsaparilla resides; *all other parts are worthless.* By Dr. Rad ay's process the Active Virtues *are only* secured. Hence Sarsaparillian combined with the curative properties of other ingredients secures in his RENOVATING RESOLVENT a *compensating remedy*, restoring a healthy and harmonious action to the glands and organs of the system in the secretion of their several constituents.

If suffering from Chronic, Skin or Syphilitic disease, sores or ulcers; if the Lungs are ulcerated, weak, sore with coughs, &c.; if the Skin is covered with eruptions or blotches; if the Kidneys or Bladder are damaged, and the urine either scanty or too abundant; if thick, smoky, cloudy and deposits brick dust or threads, or looks like the white of an egg a few hours after passing; if dull, heavy pains in the small of the back, along the thighs, hips, or bladder, a few doses of the RENOVATING RESOLVENT will afford relief, and a few bottles will change all these signs of disease and *effect a complete cure.*

Every Drop of Blood that is impregnated with the RENOVATING RESOLVENT, and is absorbed to supply the waste of the body, will make pure and healthy flesh and fibre. *So swift is this remedy in passing into the circulation that it has been detected in the urine six minutes after it has been taken.*

Radway's Renovating Resolvent

if used according to directons in any of the following named complaints, will positively effect a cure if it is in the power of medicine to effect such a result:—

Skin Diseases, Humors in the Blood, Constitutional, Chronic and Scrofulous diseases Syphilis, Fever Sores, Ulcers, Salt Rheum, Erysipelas, Rickets, Scald Head, Sore Legs, Cankers, Glandular Swellings, White Swellings, Sore Ears, Sore Eyes, Discharges from the Ear, Ophthalmia, Itch, Constitutional Debility, Wasting and decay of the body, Tumors, Nodes, Cancerous Affections, Dyspepsia, Water Brash, Neuralgia, Chronic Rheumatism and Gout, Diseases of the Kidneys, Bladder, Urethra, Strictures, Difficulty in passing Water, Calculous Deposits, and, in fact, Humors and Sores of all kinds.

Ladies that have used the Renovating Resolvent for the cure of some functional derangement, and that were annoyed by having rough, wrinkled, mothy and shriveled skin, have been astonished at finding, by the use of from four to six bottles, their skin clear and smooth, wearing the roseate hue of health and beauty, as well as being entirely cured of their difficulties. In all simple affections of the Skin, Pimples, Blotches, Spots and recent Sores, one or two bottles will cure. In Chronic diseases, either of the Lungs, Bronchial Glands, Kidneys, Bladder, Uterine difficulties, Syphiloid, Scrofula, &c., six and even twelve bottles may be required. If it is in the power of medicine to cure, the *Renovating Resolvent* will cure.

Price $1 per bottle or six for $5. Sold by all Druggists.
