The number of copies of the Holy Scriptures distributed during last year both by Sale and gratuitously, is 385 Bibles and 276 Testaments. Of these 6 Bibles and 18 Testaments were given to the African School at Loch Lomond, 1 Bible and 2 Testaments to the Marine Hospital, 1 Bible and 1 Testament to the Portland Parish Poor House, 3 Bibles and 1 Testament to poor coloured Persons well recommended.

From this Society since its establishment there have been remitted to the British and Foreign Bible Society in whole £545 1 7 sterling. And from its Depository there have been issued 649 Bibles, and 429 Testaments, making in all 1078 copies of the Scriptures. Your Committee trust that these copies of the Sacred Volume, have been doing their blessed office unnoticed, save by the eyes of Him who seeth in secret. They hope that amid the more imposing alterations which have appeared upon the face of Society, and affected its aspect and character, revolutions have been produced in the hearts of many, more peaceful in their nature, and more magnificent in their results, than any changes merely temporal can accomplish. They are cheered with the persuasion that while the general regard has been challenged for objects of more splendid, though not of more solid interest, these precious records may have spoken the tidings of life and mercy to many an inquiring spirit, and excited in their behalf the expressions of that sacred joy which is "in the presence of the angels of God over one sinner that repenteth." The shallow brook oboes itself upon our notice by the noise of its current—the river holds on its way toward the ocean with assiduous and tranquillity which attest the depth and volume of its waters.
