A careful observation of the laws of health, and the systematic and persistent use of Scott's
Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda
will accomplish this result. This preparation has all the virtues of these two most valuable
specifics, in a form perfectly palatable, and agreeable to the most delicate stomach, and we
make the important statement that Scott's Emulsion is being used with better results
and endorsed and prescribed by more physicians for consumption and the diseases leading to
it, such as Chronic Coughs, Bronchitis, Scrofula, Anaemia, General Debility and the
Wasting Disorders of Children, than any other remedy known to medical science. The rapidity
with which patients improve on this food medicine diet is truly marvellous.
See What Physicians and the People Say About It.

GENTS,—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during
the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, fatal and
difficult.
