Suppose some of those people who have been reading the STAR for nearly two years without paying for it were to bring us a load of wood!

MR. R. D. WILMOT AND MR. COSTIGAN.

The following is an extract from a letter sent us by a prominent Liberal-Conservative from this city: "I see Mr. R. D. Wilmot is off for Ottawa, and some say he will tender his resignation on going there, unless his colleagues look more favorably at the scheme which has been a pet of his for years, namely, an expansion of our currency."

Our correspondent here, asks us more than we are able to tell him. We do not know whether Mr. Wilmot will resign or not but our impression is that he will remain where he is.

LAURELS BEFORE THE WINNING—REPUTATION. There was few of us who prize good name that did not feel a flush of pride when the Montreal Star held up Fredericton as a pattern of honorable dealings to Montreal.

Mr. Costigan's name comes up for the vacancy mentioned, so too does Mr. Domville's. We do not know that the Government has considered the name of either, but we do know that the public of New Brunswick has.

Government of Canada are debtors of Mr. Costigan: Nay we may go further and say that his own Province is deepest in his debt.

And why the claim of Mr. Domville? let us ask. No one can explain. If a reason at all be given it must be such an unworthy one that few find the courage to state it.

But we are surprised at a certain young gentleman at the Board—keeping the other also in mind—for supporting such a disgraceful measure.

Who told Secretary Peters, of the Provincial Farmer's League, that "the Lands owned by the N. B. Railway Company, can be secured for a nominal sum and with easy payments?"

ST. JOHN HAS REFUSED TO HAVE ITSELF ASSESSED FOR \$5,000 TO AID AN EXHIBITION. Likely as not the exhibition will yet be held in Fredericton.

citizens—with few exceptions—can be induced to seek for civic honors. In the old country where civic Government is justly regarded as the base of the Governmental fabric, the people have a keen appreciation of the worth of respectability, honor and intelligence in their town politicians; and this is why that at their boards are found men who may have served in the parliament, or who afterwards serve there; or men who fill the most worthy positions in the community.

But we wish the little minds joy whose greatest aim is to cater to the lowly mob, who are ready to stamp their vulgar applause of anything savouring of bragadocio or dishonor.
