**REED & REED,**

QUEEN ST., FREDERICTON.  
ept 16

**L. BLACK & CO'S**

**Spheroidal  
Spectacles**

AND  
**EYE GLASSES**

ARE the best for the preservation of  
the sight, and took the medal at the  
Centennial Exhibition.

The lenses are made of the best ma-  
terial, uniform in density, and of high  
refractive power, their perfect polish  
and spheroidal shape adapt them to ease  
and improve the sight of the wearer.  
The eye being the most delicate or-  
gan great care should be exercised in  
selecting spectacles; it is not enough  
that the glass be of the right focus, but  
the lenses must be perfectly centered  
and in many cases perfect relief is only  
given by having each eye fitted separate-  
ly. To effect this the lenses are made  
interchangeable, and having an Opto-  
meter to measure the sight, a perfect  
fit is guaranteed.  
Call and examine before purchasing  
any other kind.  
A full stock in Steel, Rubber, and  
Gold Frames and prices to suit all  
pockets.  
S. F. SHUTE,  
Watchmaker and Jeweler.  
Sole Agent for Fredericton and vicinity.  
aug. 28.

**JAMES BOONE,**

**IVANHOE.**

(BY SIR WALTER SCOTT, BART.)

**CHAPTER XXIV.**

[CONTINUED.]

"Thou must be up and away, old  
house cricket," said one of the  
men; "our noble master commands  
it. Thou must leave this chamber  
to a fairer guest."

"Ay," grumbled the hag, "even  
thus is service requited. I have  
known when my bare word would  
have cast the best man-at-arms  
among ye out of saddle and out of  
service; and now must I up and  
away at the command of every  
groom such as thou."

"Good Dame Urfried," said the  
other man, "stand not to reason on  
it, but up and away. Lord's hests  
must be listened to with a quick  
ear. Thou hast had thy day, old  
dame, but thy sun has long been  
set. Thou art now the emblem of  
an old war-horse turned out on the  
barren heath—thou hast had thy  
paces in thy time, but now a broken  
amble is the best of thee—Come  
amble off with thee."

"All omens dog ye both!" said the  
old woman, "and a kennel be your  
burying place! May the evil de-  
mon Zernebeck tear me limb from  
limb, if I leave my own cell ere I  
have spun out the hemp on my  
distaff."

"Answer it to my lord, then, old  
house-fiend," said the man, and  
retired, leaving Rebecca in com-  
pany with the old woman upon  
whose presence she had been thus  
unwillingly forced.

"What devil's deed have they  
now in the wind?" said the old hag,  
murmuring to herself, yet from  
time to time casting a sidelong and  
malignant glance at Rebecca; "but  
it is easy to guess—bright eyes  
black locks, and a skin like paper,  
ere the priest stains it with his  
black unguent—'Ay, it is easy to

guess why they send her to this  
lone turret, whence a shriek could  
no more be heard than at the depth  
of five hundred fathoms beneath  
the earth. Thou wilt have owls  
for thy neighbors, fair one; and  
their screams will be
