WELLAND CANAL.

NOTICE TO BRIDGE BUILDERS.

SEALED TENDERS addressed to the undersigned (Secretary of Railways and Canals) and endorsed "Tender for Bridges, Welland Canal," will be received at this office until the arrival of the Western mails on TUESDAY, the 15th DAY OF JUNE next, for the construction of swing and stationary bridges at various places on the line of the Welland Canal. Those for highways are to be a combination of iron and wood, and those for railway purposes are to be of iron.

Plans, specifications and general conditions can be seen at this office on and after MONDAY, THE 31st DAY OF MAY next, where forms of tenders can also be obtained.

Parties tendering are expected to have a practical knowledge of works of this class, and are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and—in he case of firms—except there are attached the actual signatures, the nature of the occupation and residence of each member of the same; and further an accepted check for a sum equal to $250 for each bridge, for which an offer is made, must accompany each Tender, which sum shall be forfeited if the party tendering declines entering into contract for the work at the rates and on the terms stated in the offer submitted.

The cheque thus sent in will be returned to the respective parties whose tenders are not accepted.

For the due fulfilment of the contract the party or parties whose tender it is proposed to accept will be notified that their tender is accepted subject to a deposit of *five per cent.* of the bulk sum of the contract—of which the sum sent in with the tender will be considered a part—to be deposited to the credit of the Receiver General within *eight days* after the date of the notice.

Ninety per cent. only of the progress estimates will be paid until the completion of the work.

This department does not, however, bind itself to accept the lowest or any tender.

By Order,

F. BRAUN,
Secretary.

CONSUMPTION

CAN BE CURED.

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of **scott's Emulsion of Cod Liver Oil** with **Hypophosphites of Lim and soda** will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form *perfectly palatable*, and acceptable to the most delicate stomach, and we make the unqualified statement that **Scott's Emulsion** is being used with better results and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrofula, Anaemia, General Debility and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

See What Phyicians and the People Say About It.

Messrs. SCOTT & BOWNE: 66 West Thirty-sixth Street, NEW YORK, September 2, 1876.

GENTS,—I have frequently prescribed SCOTT'S EMULSION OF COD LIVER OIL with HYPOPHOSPHITES during the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and efficacious.
C. C. LOCKWOOD, M. D.

MESSRS. SCOTT & BOWNE :—Gentlemen,—Within the last year I have used in my own family, and in my private practice prescribed very extensively SCOTT'S EMULSION OF COD LIVER OIL with HYPOPHOSPHITES and ound it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate tomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrofulous cases.
Oct. 12, 1879. Yours respectfully, A. H. SAXTON, M. D., Baltimore.

MESSRS. SCOTT & BOWNE :—Gentlemen,—Within the last two months I have fairly tried SCOTT'S EMULSION OF COD LIVER OIL with HYPOPHOSPHITES, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly agreeable and elegant form.
December 10th, 1878. Yours truly, J. SIMONAUD, M. D., New Orleans, La.

MESSRS. SCOTT & BOWNE :—Gentlemen,—In September, 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats and short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life and was an object of pity to all my friends. Last September I purchased a bottle of your EMULSION and before it was all taken I was better. I afterwards bought a dozen bottles, with the following results: Coughs subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your EMULSION and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, "What cured you?" and I answer, "SCOTT' EMULSION OF COD LIVER OIL, etc." I have a friend who has not spoken aloud for 15 months, and he is getting better. I gave him a bottle and he bought two more, then got a dozen, and says it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and shall do all I can to make known your valuable medicine.
January 20th, 1879. Very truly yours H. F. SLOCUM, Lowell, Mass.

MESSRS. SCOTT & BOWNE — LYNN, Randolph Co., Ind., July 2, 1878.
About the 25th of last April I got a bottle of your EMULSION and at that time I was so prostrated that no one who saw me thought I could live longer than a few weeks at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the EMULSION in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commence mending, and now am able to ride and walk, and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.
I am gratefully yours,
