HOME FOR INCURABLES

BOARD OF MANAGEMENT

At a special meeting of the board of managers of the Home for Incurables, held on Monday afternoon, the resignation of Miss Betts, the matron, was accepted, to take effect on July 1, and it was ordered that a special record be made of the board's appreciation of her services during her term of office and that a copy be sent to Miss Betts, whose resignation is regretted by all. A resolution of regret at the death of Mrs. W. W. Turnbull was also passed unanimously in the following terms:

"Resolved, that the board of managers of the Home for Incurables desire to place on record their deep sense of the great loss this institution has suffered by the decease of Mrs. William W. Turnbull. Fully in accord with her husband in the noble generosity which enabled this charity to come into existence, she has at all times taken the most lively interest in its welfare, and when her health permitted, never failed to attend the meetings. At such times by her wise counsel and loving sympathy with the suffering ones, she ever evinced the wide philanthropy which has been the characteristic of her long life. She has given us a beautiful example of patience and cheerfulness under suffering, and we can most fittingly testify to our regard by doing our utmost to make this institution a worthy memorial to the benevolent founders.

"Resolved, that a page of the records be inscribed to the memory of our deceased associate; and further

"Resolved, that these resolutions be transmitted to the family of the deceased, under the seal of the Home, with every expression of loving sympathy in their great loss."

A CAUTIOUS REPLY.

(From the Rochester Herald.)

A boy in a Chicago school refused to sew, evidently considering it beneath the dignity of a 10-year-old man. "George Washington sewed," said the principal, taking it for granted that a soldier must; "and do you consider yourself better than George Washington?" "I don't know; time will tell," said he, seriously.

SEVENTH DISTRICT UNITED BAPTISTS

First District Meeting Held Since the Two Bodies Were United—Three Interesting Sessions Yesterday

The seventh district meeting of United Baptists met in the Charlotte street W. Baptist Church, St. John, Tuesday at 10 a. m. The first session was of a devotional character, conducted by the pastor, Rev. R. W. Ferguson.

There were present: Rev. W. C. Goucher, Rev. W. H. Perry, Rev. F. E. Bishop, Rev A. McNintch, Rev. O. N. Mott, Rev. J. A. Porter, Rev. F. S. Bamford, Rev. S. J. Perry, Rev. M. E. Fletcher, Rev. A. J. Prosser, Licentiate; Dores, Sharpe, Rev. R. W. Ferguson, Rev. H. D. Worden, a number of delegates from the churches of the district, and members from some of the neighboring churches.

The afternoon session was opened at 3 o'clock, Rev. W. C. Goucher, chairman of the district, in the chair.

Rev. A. McNintch, of Grand Manan, the assistant chairman, read the Scripture, and prayer was offered by Rev. W. H. Perry.

D. C. Clarke, the district clerk, called the roll of delegates and the following responses were made: J. W. Stevens, Fairville; I. E. Smith, Mrs. Hamm, St. John; F. R. Connor, Mrs. A. C. Smith, St. John; D. Thompson, Musquash; J. A. Porter, Beaver Harbor; Frank Gamble, St. George; E. M. Ganong, St. Stephen; Geo. A. Simpson, Fair Haven; W. D. Cheney, O. L. Newton, Grand Harbor; Angus Crossboon, Mrs. W. Cheney, White Head.

Rev. H. D. Worden and Rev. A. J. Prosser were invited to seats in the meeting.

On motion the reports of the churches were then read. There are 27 churches in the district, with thirteen pastors at present. The first, Saint George's United Baptist Church, was organized one hundred years ago. On July 2nd, 1905, a new church was dedicated, costing $4,500, and while it has only an actual resident membership of 106, during the past year it raised more than $1,250.

On the date of the opening the new church twenty members were received into membership. The churches in the district are located as follows: Two in St. John West; one in Fairville, one in St. Stephen, one in St. George, three on Deer Island, four on Grand Manan, one on White Head, two on Campobello, three in Musquash and vicinity, one in Mascarene, three in St. Andrews and vicinity, four at Oak Bay and vicinity.

A committee, consisting of Rev. R. W. Ferguson, Mrs. A. C. Smith and E. M. Ganong, was appointed to devise some plan to enlarge the borders of the seventh district and report the scheme agreed upon by the committee at the next meeting.

The meeting last evening was under the direction of the Women's Missionary Society, Mrs. A. C. Smith presiding.

Rev. W. C. Goucher opened with prayer. Miss Blanche Coes then gave a missionary recitation.

The main feature of the evening's meeting was an address by Miss Archibald. She is engaged as a missionary in the Telegu region, India, and is at present on a furlough. She dealt very interestingly of her work in the Telegu district, telling of the obstacles to be overcome and of the zeal of the converted natives. The Telegu region embraces a territory of 5,000 square miles. In this territory there are two million inhabitants, six missionaries attending to their spiritual wants. There are 500 Christians in this district, but the work is progressing well and converts are entering the faith rapidly.

After delivering her address Miss Archibald sang several hymns in the Telegu language.

Mr. Goucher then spoke and the meeting adjourned.

This morning a statistical report will be given.

This is the first report to be given from a district meeting since the union of the churches.

Do You Seek Health?

Consult Dr. Hamiliton and You Will Be Shown The Way

Thousands are in the same boat—all sickly, bilious and feeling far from well.

Trouble is the system is clogged with impurities which need to be cleared away.

Before downright sickness arrives you should cleanse and purify the system with Dr. Hamilton's Pills.

At once you'll feel their mighty influence building up weak spots, clearing out disease, and putting you again on your feet.

These purely vegetable pills change your tired, worn-out condition to one of health and vigor, because they supply the body with nourishing blood that builds up and enlivens the entire system.

Mr. John Whitley of Stanwood P. O., Ont., knows the merit of Dr. Hamilton's Pills, and says: "I wouldn't be alive today had it not been for Dr. Hamilton's Pills. Last winter I was sick with grippe, and when spring came I was weak, bilious and rheumatic. I used enough medicine to cure twenty times, but I didn't get any help till I tried Dr. Hamilton's Pills. They purified my blood, took the yellow color out of my face, put new tone in my stomach, and increased my appetite. The bilious attacks and rheumatic pains departed, and Dr. Hamilton's Pills made a new man of me. I proved their merit, and proclaim them a medicine for all men."

KILLED ON THE I.C.R. AT HUMPHREYS MILLS

James Woods Stepped in Front of a Moving Train

And In Spite of Warnings Evidently Did Not Realize His Peril—The Crossing a Dangerous One.

MONCTON, N. B., June 19.—Not hearing the warning cries of a bystander nor the rumble of an approaching special freight train, an aged man, Jas. Woods, stepped onto the I. C. R. crossing at Humphreys, about a mile from Moncton this morning and was struck by the locomotive and hurled to death. He was aged sixty-three and neither his hearing nor eyesight were good, but whether he saw the man who shouted warnings to him and regarded the action as a joke or whether he neither saw nor heard will never be known.

The accident took place at Humphrey's Mills crossing on the I. C. R., about one mile from the city. Deceased who conducted a small farm was walking down the road towards Humphrey's. Near his destination the I. C. R. track crosses the road and a high snow fence obscures the track from the view of pedestrians going in one direction and at the same time prevents the engineer from having a full view of the road. The train was running at this point according to an eyewitness of the accident about twenty miles an hour. Seymour Seamans was standing across the track and seeing the danger which Woods was in shouted a warning, calling to him to go back. The warning went unheeded and stepping on the rails the unfortunate man was struck by the locomotive in which driver James Moody was at the throttle, and was hurled several feet. When picked up he was dead. Deceased was a native of P. E. Island. He was unmarried and a farmer. He had lived with his sister, Mrs. Donohue for thirty years past.

An inquest will not be held, this being considered unnecessary by Coroner Purdy, who visited the scene of the accident. Coroner Purdy, however, recommends the removal of the board fence which makes it impossible for pedestrians walking in the direction of Humphery's Mills to see the track. Wood's skull and chest were crushed, his right arm broken and his hip dislocated.

Mrs. M. Crossman, wife of the foreman of the city water works department, got up in her sleep this morning and walking to the head of the stairs fell down, sustaining a bad fracture of the left shoulder.

WAS BADLY HURT IN THE CHATHAM PULP MILL

Peter Murray Had His Leg Dislocated—Michael Scully Got Two Months for Throwing Stones.

CHATHAM, N. B., June 19.—Peter Murray was badly hurt this morning while working at the Miramichi pulp mill. Murray was working on the mill track at the time, and was pushing a wood car along when another came behind and knocked him down. He fell off the track to the ground. His left hip was found to be very badly dislocated and his body bruised. Murray was taken to the Hotel Dieu Hospital, where the dislocation was reduced.

Michael Scully of England was sentenced this morning to two months in jail. Scully was attending a dance last Wednesday night at J. R. McDonald's and started in to run things. He was put out of the house and retaliated by throwing stones through the windows. Mrs. McDonald and others ran out of the house to stop him, when he threw a large stone at Mrs. McDonald and struck her on the forehead. She was badly cut and several stitches had to be taken in the wound. Yesterday Scully was arraigned before Magistrate Connors and after the evidence was given his honor sentenced him to two months' imprisonment.

THE DOG SHOW

The interest taken in the dog show and the friendly rivalry shown by local fanciers is already very keen, and each day the superintendent is being showered with inquiries regarding same. The owners of thoroughbred dogs appear to fully recognize that the Exhibition Association are making a special effort in their behalf, and seem determined to make this a record breaking show. At the outset it was intended to bench the dogs in a large tent, but finding that this might not altogether suit the requirements of intending exhibitors the executive strained a point to secure more suitable quarters, with the result that a large space in one of the main buildings has been set aside for the dog show. This hall, so well lighted and ventilated, will make an ideal home for the dogs, and the fanciers are immensely pleased at securing it. Taking all in all the coming show promises to far eclipse all previous efforts. For full particulars, entry blanks, etc., address T. McCullough, superintendent, P. O. box 411.

DUMMY CORPSE ONE TRICK OF SWINDLER.

PARIS, June 19.—One of the cleverest swindlers that justice has put her hand upon for a long time was before the Seine Assizes yesterday. This is a man named Rene Hayer, who was sentenced to five years' imprisonment on charges of forgery and fraud.

Hayer began life as an engineer, but son turned to crime. His specialty was the defrauding of insurance companies. He had a string of aliases. One day he would appear as a workman, the next as a nobleman. In the fashionable world he was known as the Marquis de Lamoignon.

DECEIVED THE DOCTORS.

The "marquis" insured himself against accident with several companies. After he had paid the first premium he reported that he had had a fall downstairs, which resulted in an injury to his head. It was proved afterward that the prisoner had shown the doctor sent to examine him an old wound. At all events, the company were deceived, and paid $3,000 compensation. Hayer next set fire to his premises and collected $250 insurance.

One of his greatest "coups" was when he insured his life for $20,000. One day the company interested learned that Hayer had fallen down the steps of the station at Vincennes, broken his spine, and that he had but a few days to live. Again the doctors were completely deceived. The company's representative sought an interview with the "dying" man, and succeeded in effecting a settlement for $10,000 cash down. The claimant was duly reported to have died, and the insurance company, congratulating itself in its business ability, sent a wreath to what has since transpired to have ben the funeral of a dummy corpse.

IN A NEW ROLE.

Hayer, changing his name once more began to speculate on the Bourse. In a year or so he gained nearly $300,000; then luck deserted him, and he lost the whole of his money. Left penniless, he resorted to fraud again. This time he appeared in a new role. A wealthy woman died in the Department of the Somme, and left her money to be divided equally between a nephew and a niece, who had not been heard of for some time. Hayer determined to personate the missing nephew and claim his share of the heritage. He gave out that he had lost his papers in the eruption of Mount Pelee in Martinique. He secured a copy of the birth certificate of the lost heir, and actually forged his handwriting; but at the last moment the real heir turned up, with the result that Hayer found himself in the dock.

BATH, Me., June 18.—Daniel Sawyer of Gardiner, a deckhand on the river steamer City of Augusta, was drowned this afternoon. It is supposed that the wash of a pasing steamer rocked the boat while he was working on the guardrail, and that he lost his balance, but no one saw the accident. He was 24 years old and unmarried.

W. Bigh, to Thomas Calhoun of Gaspe, Que. Rev. G. Percy Raymond performed the ceremony. They will reside in Gaspe. The groom is a son of T. B. Calhoun of the Calhoun Lumber Co., Calhoun Mills, N. B.

HER FATAL ERROR.

"Oh, yes," said one fair member of the social upper crust to another, "she's a very charming girl, no doubt, but she's ignorant of the ways of society."

"Indeed!" exclaimed the other.

"Yes," continued the first speaker, "she was a member of my box party at the opera the other night, and she never said a word while the performance was going on."

CHIEF JUSTICE TUCK GIVES A SKETCH OF HIS CAREER.

Thinks He Missed a Lot by Not Collecting Fees Lik John Willet Does.

FREDERICTON, June 19—Nisi prius sittings of the Supreme Court opened this morning, His Honor Chief Justice Tuck presiding.

There was a large attendance of the legal profession present including Dr. Stockton, K. C., H. A. Powell, K. C., A. E. Connell, K. C., J. D. Hazen, K. C., and J. H. A. L. Fairweather.

The grand jury retired and returning announced they had elected as their foreman P. D. McKenzie. His Honor gave a most interesting address to the jury. He said it was a most pleasant duty to have the privilege of announcing that there was no criminal business to be considered. There were a few of the grand jurors who had been summoned who failed to appear but considering the time of year when the lumbering and agricultural interests were engaging so much of our attention that may be an excuse to some extent for non-appearance. "It was my good fortune in 1848," said His Honor, "to spend some time in Fredericton. I was then studying in the office of the late Judge Wilmot, of whom you all know well. I look back upon those years as among the happiest of my life. In 1870 when Judge Weldon had been appointed crown prosecutor and came to Fredericton to attend to the criminal business, every crime in the calendar was on the docket from murder down and every mother's son of them was convicted. The murder case was that of a man shotting a blacksmith. The jury was evenly divided as to murder, but found the prisoner guilty of manslaughter and he was sentenced to fourteen years in the penitentiary. He was allowed his freedom after eight or ten years and later sent to Carleton county, where he was convicted for stealing."

The pistol with which he did the deed, his honor said, he had still at his house and it adorned his room. Then another well known case tried at this session was for stealing from the Roman Catholic church in this city. In 1874, his honor said, he was appointed recorder of St. John and so dropped out of the criminal business. His position as crown prosecutor was similar to the position now held by Mr. Campbell as clerk of the court, the clerk then being called upon to prosecute the criminal business. For this additional work he received no pay. They had now a clerk of the court in St. John who was an adept in making up bills of costs for crown cases. When he thinks of the large sums John Willet gathers in he cannot but think of the hundreds of dollars he had lost. At the same time he did not think that the clerk had a right to charge for this kind of business.

In conclusion his honor said, "I notice that most of you are still young men; in fact I can see but a few gray hairs. I want to tell you as a man now over 75 years of age that the tendency of one growing old is to talk too much, and perhaps I have that failing to a considerable extent. In asking you now to retire I may say that though you have no criminal business to consider, yet it is in your sphere to deal with matters of a public nature and any recomendations you may have to make as regards municipal matters or others it is your privilege as well as your duty to present them."

The grand jury retired and after a few minutes returned to court and announced that they had nothing to present. His honor in a few brief remarks dismised them. The docket was then made up as follows:

Jury Cases.

Josephine Seery and R. W. McLellan, executors of the estate of the late Dr. F. J. Seery vs. the Federal Life Insurance Company—P. J. Hughes files record.

The Petrie Mfg. Co., Ltd., vs. Jacob Corey—J. H. A. L. Fairweather files record.

NON-JURY.

People's Bank of New Brunswick vs. Fred H. Hale—J. W. McCready files record.

The docket was then taken up, Mr. Huges moving for trial in the case of Seery v. Federal Life Assurance Company. The following jury were selected to try the case: John McKeen, Belfour Hill, Geo. Armstrong, Alfred Everett, J. Del. Robinson, J. C. Gilman and Jonathan Simms.

There were only three objections made in empanelling the jury, the defence challenging two and the plaintiff one. For the plaintiff, Hughes with Dr. Stockton as counsel appear while the defence is represented by Hanson with Powell as counsel, the latter taking the place of the attorney general who was unable to be present. This case as is well known is to recover $1,000 for life insurance policy.

The case of Petrie Mfg. Company vs. Jacob Estey is one of slander, damages $2,000.

That of the People's Bank vs. F. H. Hale is to recover on promissory notes amounting to over $22,000.

Mr. Hughes opened the Seery case this morning reading the papers and explaining the case. It is being continued this afternoon.
