**NEWFOUNDLAND WILD
 AT IMPERIAL INJUSTICE**

**The Premier's Organ
 Forecasts Govt.'s
 Resignation
 Modus Vivendi Denounced
 as Craven Policy of Little
 Englanders and Shameful
 Betrayal of Newfound-
 land.**

ST. JOHN'S, Nfld., Oct. 8.—Popular
 anger against the modus vivendi ar-
 ranged by the United States and British
 Governments relating to the New-
 foundland herring fishery is growing.
 There is a general feeling that the
 compromise arrived at was a backdown
 on the part of the British Ministry.
 Archbishop Howley, the Roman Catho-
 lic primate, speaking yesterday at a
 parochial festival, declared the modus
 vivendi a shameful betrayal of the
 Colony's interests and advocated agi-
 tation throughout the Colony against
 it. He urged an immediate calling of
 the Legislature, elected to the throne,
 the despatch of delegates to
 England and to Canada, and an appeal
 to all autonomous British Colonies
 to unite in protesting what he termed an
 unbridled invasion of Colonial rights.
 Attorney General Morris speaking at the
 same function, stated that the Colo-
 nial Government was unaware of the
 terms of the modus vivendi, but it had
 done everything within its power to
 protect the Colony.
 Today the Telegram, the premier's
 organ, scathes the modus vivendi to
 the cry of "Downing street bureau-
 crats and exploiters." It expressed the
 hope that the Newfoundland govern-
 ment will show the same resentment
 and spirit of determination and teach
 little Englanders a lesson. Sir Win-
 ston Churchill the same lesson to
 the colonists of Natal taught them
 when they tried to ride roughshod
 over the colony a few months ago.
 The Herald prints a letter of Con-
 gressman Gardner, who represented
 the American's fishing interests at
 Washington, published last July,
 wherein Mr. Gardner is quoted as ad-
 mitting that "American vessels have
 no right to ship Newfoundlanders in
 their crews. The paper then observes
 that in view of this letter the British
 government's action in granting such
 a concession is incomprehensible.

**ENGLISH PAPERS UPHOLD NEW-
 FOUNDLAND.**
 (Special to the Sun.)
 TORONTO, Oct. 8.—A special cable
 from London says:
 Referring to the modus vivendi con-
 cluded between the imperial govern-
 ment and the United States, regarding
 the Newfoundland fisheries, the Pall
 Mall Gazette says it is one more sacri-
 fice of a British colony in the cause
 of Anglo-American good-will. "Much
 as we value that cause, it is pain-
 fully apt to work out in a one-sided
 fashion, with all the business on one
 side and all the sentiment on the other,
 and mean enough sentiment it is, too,
 seeing that it is indulged in at the ex-
 pense of a weak third party who we
 are preventing to protect."
 The Evening Globe says that hardly
 a pretence is made of mutual conces-
 sions; and the oldest British depend-
 ency is treated with absolute contempt
 in a matter of vital moment to its
 chief industry.

WASHINGTON, Oct. 8.—The news
 that the modus vivendi had finally been
 signed was conveyed to Secretary Root
 in a cablegram from Ambassador Reid
 today, announcing that the British gov-
 ernment had accepted the terms of the
 modus vivendi relating to the New-

foundland fisheries. No information
 has been received at the State Depart-
 ment concerning the proposed resigna-
 tion of the officials of the Newfound-
 land government on account of the new
 agreement. Some facts in relation to
 the Newfoundland government and the
 fisheries were stated, in which it ap-
 pears that the British government has
 been very much embarrassed during
 the negotiations on account of the de-
 mands of Newfoundland. The New-
 foundland government is under the con-
 trol of the merchant fishermen on the
 island, who buy and cure all the fish-
 ing products. They oppose any Amer-
 ican fishing rights, including those
 guaranteed by the treaty of 1818, and
 are dissatisfied with arrangements that
 the British government makes to carry
 out the terms of that treaty.
 The real fishermen of the island are
 not in harmony with the restrictions of
 the Newfoundland government, such as
 denying the privilege of selling bait
 and allowing the fishermen to take
 employment of the American fishing
 vessels. The fishermen themselves de-
 scribe these privileges, but it interferes
 with the plans of the merchant fish-
 men. The Newfoundland government
 has real responsibility in the way
 of carrying out obligations. That de-
 volves upon the British government.
 Great Britain, it is asserted, would not
 coerce any of her colonies to remain
 under the British flag if they were dis-
 satisfied. In this matter it is com-
 mended to withdraw, but at the same
 time desires to keep all the colonies
 and to keep them on terms of amity
 with their neighbors. The whole course
 of Great Britain in this matter is com-
 mended by the American authorities as
 being fair and reasonable, but all ne-
 gotiations have been hampered by the
 Newfoundland government.

**FAMOUS SUIT
 IS SETTLED**
**Leturgey and Bennett With-
 draw Their Suit**
**Will Not Press Suit Further Against
 Pope and Fowler in Western
 Land Deal**
 (Special to the Sun.)
 TORONTO, Oct. 8.—A settlement is
 expected of the action of A. A. Letur-
 gey, M. P., W. H. Bennett, M. P.,
 and Arthur C. Peuchen against the
 Great West Land Co., Ltd., in re-
 lation to the land in the West. Letur-
 gey and Bennett have withdrawn their
 suit, and the action of the Great West
 Land Co. is now pending in the high
 court non-jury sessions today. The
 case has been placed at the bottom of
 the list. It was understood, however,
 that the case has been practically ar-
 ranged, but the sanction of Mr. Fowler is still to be ob-
 tained.
 The circumstances of the case were
 fully reviewed before the Dominion in-
 surance commission a short time ago.
 The five gentlemen interested, formed
 in August, 1902, a syndicate for the
 purpose of dealing in lands in the
 Northwest. By virtue of a subsequent
 deal with the New Ontario Farm and
 Town Sites Syndicate, the five invest-
 ors became entitled to stock in the
 Great West Land Co., Ltd., to the
 value of \$83,200, besides cash. Messrs.
 Pope and Fowler claimed that they
 were entitled to seven-tenths of this
 stock, though the plaintiffs, Messrs.
 Leturgey, Bennett and Peuchen, stated
 that each should receive one-fifth.
 Messrs. Pope and Fowler have re-
 ceived on account of the sale \$50,484.38,
 and they have also assumed to retain
 \$20,000 commission. If the action pro-
 ceeds, the plaintiffs want a lien upon
 the Pope-Fowler interests in the Great
 West Land Company, and an injunc-
 tion restraining the latter from stock
 to Messrs. Pope and Fowler. James
 Bleken, K.C., is acting for the plain-
 tiffs, and Duvernet, Jones, Ross and
 Ardagh for the defendants.

**MAY FORM NEW
 POLITICAL PARTY**
**Principal Plan to be Maritime Union—
 A Few Others—Will Nominate
 Candidates for Election**
 (From Tuesday's Daily Sun.)
 It is reported that a number of gen-
 tlemen who are dissatisfied with the lib-
 eral government and look with despair
 upon the opposition, are to form an in-
 dependent political party in this prov-
 ince. Dr. McVey, one of those men-
 tioned as being prominent in the new
 movement, handed out the following
 platform, the principal plank of which
 is maritime union:
 "The object shall be the union of the
 three lower provinces and a division of
 this large new province into electoral
 boroughs with a population of 30,000
 each, such boroughs having one rep-
 resentative each to the local house.
 "A central point of government,
 agreeable to the three provinces, to be
 established.
 "This new government to consist of
 legislative council composed of two
 members from each province in the
 union, these members to be elected for
 three to five years by popular vote.
 "There shall be an executive council,
 consisting of a premier, minister of
 justice, minister of public works, min-
 ister of agriculture and forestry, min-
 ister of mines and labor, minister of
 health and quarantine, minister of
 finance and education.
 "There shall be one lieutenant gov-
 ernor, where there are now three gov-
 ernors.
 "The new government shall also give
 the municipalities full control of the
 highways.
 "This is the outline," said Dr. Mc-
 Vey, "of the platform upon which the
 new party will stand or swim."

**NEW STOCK FOR
 CANADIAN PACIFIC**
**Four Thousand New Freight Cars and
 Fifty Heavy Locomotives Being
 Added to Present Supply**
 (Special to the Sun.)
 MONTREAL, Oct. 8.—The shipping
 touches were today placed upon the
 work of the Canadian Pacific officials,
 who have for some time been signing
 contracts for rolling stock to the large
 amount of \$1,500,000, and before next
 summer has gone by the stock will all
 be in the hands of the company. It
 will consist of 400 freight cars, chiefly
 flat cars, 20 passenger coaches and
 fifty of the heaviest locomotives.
 Freight cars are now being turned out
 at the rate of 24 to 25 a day.
 David McNicol, vice-president, and
 general manager, stated today that the
 company has been fortunate in constantly
 increasing the estimates for rolling stock,
 so great has been the increase in both
 passenger and freight service. He said
 that the company was now in a position
 to meet the demand for rolling stock
 which was expected. When asked where
 the new rolling stock is to be built,
 Mr. McNicol replied "It will be built
 in Canada and Canada will get all
 the money. Montreal coaches and
 cars, come best, because the work
 will actually be done here. You will
 be bought in Nova Scotia, Hamilton,
 Ont., and in Montreal. Materials will
 come from Smith's Falls, Brantford
 and Walkerville; timbers from British
 Columbia, chiefly but not entirely Can-
 adian wood. Oak is growing so scarce
 that we shall have to use other timbers,
 where it was formerly used, if we are
 to have it all made in Canada. Wages
 will keep a small army of men going
 from now until summer, and there
 there will be just as much work for
 them to do as there is now."

**NEGRO ARRESTED
 FOR KILLING ANOTHER**
 NIAGARA FALLS, Oct. 8.—Samuel
 Washington was arrested today on
 charge of inflicting injuries on Daniel
 Little which caused latter's death. Little
 and Washington are colored men
 They met in the street on Saturday
 night and fought. Patrolman Darr of
 city police arrived after the fight was
 over and found Little unconscious on
 the floor in his father's house, but
 thought he was drunk. Little's family
 was of the same opinion, but on Sunday
 morning Darr did not regard conscious-
 ness and died soon after Washington's
 arrest.

**PROVINCIAL PREMIERS BEGAN
 THEIR CONFERENCE YESTERDAY**

**Welcomed to the Capital by Sir Wilfrid—The Demands of the Differ-
 ent Provinces Set Forth—Committee Appointed to Revise
 Quebec Resolutions.**

(Special to the Sun.)
 OTTAWA, Oct. 8.—The provincial
 premiers began their conference with a
 busy day. Sir Wilfrid Laurier in the
 morning opened the proceedings with
 an address of welcome, to which each
 of the nine provincial premiers replied
 briefly. The federal representatives
 then retired and Premier Gouin of
 Quebec was made chairman of the pro-
 vincial representatives' meeting, and
 Deputy Attorney General Lacombe of
 Quebec was made secretary. After an
 hour's discussion in the morning the
 resolutions of the Quebec conference of
 1902 were taken up, to which each
 representative of the new provinces of
 Alberta and Saskatchewan an opportunity
 of deciding whether the resolu-
 tions of the Quebec conference of 1902
 would meet their views.
 The Quebec resolutions provided for
 increasing the allowances for legisla-
 tion made to the provinces made at
 Confederation about a quarter of a
 million dollars each. The allowance is
 now from fifty to eighty thousand.
 The Quebec resolutions also proposed to
 increase the eighty cents capitation al-
 lowance from the population returns of
 1860 to those of the census of 1901. They
 also proposed an allowance of twenty
 cents a head for the administration of
 criminal justice.
 At the conference of the provincial
 representatives this afternoon there
 was signed a practical agreement in
 the principles of the Quebec resolu-
 tions. However, some of the representa-
 tive did not wish to subscribe to all
 the details. Premier Whitney, as leader
 of the opposition in Ontario, criti-
 cized the resolutions when Premier
 Ross held them before the Ontario
 house. While he now wants an in-
 crease in provincial subsidies he is un-
 willing to subscribe to the exact terms
 of the resolution. He criticized it.

**TERRIBLE WRECK ON SYDNEY
 AND LOUISBURG RAILROAD**
**Trains Collide at Dangerous Curve, Killing One Man and Fatally
 Injuring His Brother—Nearly a Dozen Others Seriously Hurt**
Investigation to be Held.

SYDNEY, N. B., Oct. 8.—The worst
 collision in the history of the Sydney
 and Louisburg Railway took place
 near the town Reservoir, four miles
 out, about three o'clock this afternoon,
 and as a result one man is dead, an-
 other dying, but nine more injured to
 a greater or less extent, but none
 it is now believed fatally.
 The accident was caused by a collision
 in the deep cut of the road be-
 tween No. 5 construction train and No.
 55 with a load of coal empties coming
 from Louisburg.
 The construction train which had
 several empties and a very containing
 men, was going along the track pick-
 ing up railway ties. When near Morien
 Junction it was obliged to go back to
 Dominion No. 4 to cross engine No. 44,
 and after the cross was made proceed-
 ed again toward Port Morien in charge
 of Engineer Parker Holmes and fire-
 man E. J. McDonald. The engine was
 overladen and had all cars ahead of it.
 Broken legs and arms, bruises and other
 minor injuries. Three other men
 were hurt, but their injuries are not
 serious, and they have been taken to
 their homes.
 The deceased was in charge of Dever-
 A. Townsend and Conductor Jack Sher-
 iner. Hundreds gathered at the S. and
 L. Main street crossing, where teams
 were provided to carry the wounded to
 their homes.
 The sight was a terrible one.

**QUEENS-SHELburne ELECTION
 NOVEMBER 6; WRIT ISSUES TODAY**

(Special to the Sun.)
 OTTAWA, Oct. 8.—The writ for
 the election in Queens-Shelburne will
 be issued tomorrow. The decision of
 the supreme court this morning, throw-
 ing out the appeal against the decision
 of the trial court judges, that there
 were no grounds for the trial of per-
 sonal charges against Hon. Mr. Field-
 ing, have cleared the way for immedi-
 ate election by opening the constitu-
 ency under the decision of the trial
 judges voiding the previous election.
 Though the date for the election has
 not been finally fixed, it is understood
 that nomination will take place Oct.
 30 and polling Nov. 6. It may be ne-
 cessary to fix the time for a few days
 later.
 The charge against Mr. Fielding was
 that he had paid his agent, Farrell \$210
 on account of the election of 1900, to
 retain his services for the election of
 1904, and that the payment was part
 of a corrupt system extending from
 one election to another, and therefore
 Mr. Fielding should be disqualified.
 The trial judges ruled against this and
 declined to allow Mr. Fielding to be ex-
 amined as to this payment. The su-
 preme court unanimously sustained the
 finding of the trial court and held that
 an isolated payment was not evidence
 of a system, and the trial judges had
 done right to refuse examination on
 this point until proof of a system was
 established. The appeal was dismissed
 with costs and a certificate ordered to
 be sent to the Speaker of the Com-
 mons.
 KASAN, Russia, Oct. 8.—Two bombs
 were thrown today at Vice Admiral
 Kozlov, but he was only slightly in-
 jured. The would-be assassin escaped.
 SALT LAKE CITY, Oct. 1.—By an
 unanimous vote all the authorities of
 the church from President Smith down
 were re-elected at yesterday's Mormon
 Church conference.

**BATTLE IN QUEBEC TOWN
 2 KILLED, MANY INJURED.**

**TROUBLE REPORTED
 OVER MERGER**
 A Wild Fight Between Police and Strikers
 Police Totally Routed—Or-
 der Only Restored by Soldiers From Ottawa With
 Machine Gun.
 (Special to the Sun.)
 OTTAWA, Oct. 8.—Two men were
 killed and fifteen injured in a battle
 between strikers on one side and police
 and strike breakers on the other. The
 riot was only quelled by the arrival of
 a squad of soldiers with rifles and a
 machine gun from Ottawa. The town is
 in a wildly excited condition.
 The trouble in connection with the
 affairs of the Central Co. had arisen
 and that the merger of the two com-
 panies might be interfered with or
 delayed. It was also said that a
 meeting of representatives of the com-
 panies would be held at St. John this
 week.
 This afternoon Senator Thompson
 said he knew nothing of any new trou-
 ble. He admitted that construction
 work, etc., was considerably tangled
 and that some conferences might be
 held and so on. However, he could
 give nothing new on the subject.
 Senator Robinson said that E. D.
 Robinson had severed his connection
 with the company and that Mr. Hack-
 ett was now acting as assistant gen-
 eral manager.
 One of the oldest residents of Elgin,
 N. B., passed away Oct. 8. Martin
 Coleman was born in the state of
 Maine, and came to this province with
 his family when 13 years of age. He
 always been a loyal and devoted citi-
 zen, seeking only the highest ideals and
 good of his fellowmen. Hence he was
 greatly respected and loved by all. This
 was in evidence at the funeral. Never
 had such a large number of people
 gathered in Elgin for a similar occa-
 sion. The service was held in his late
 residence, conducted by Rev. Henry A.
 Brown and Rev. M. R. Knight, both
 of whom gave fitting expression to the
 very helpful and beneficial endeavors
 of the deceased to scatter sunshine
 along life's pathway.
 The formation of the funeral pro-
 ceSSION was under the care of W. J. Mc-
 Kenzie and was most efficiently car-
 ried out. The deceased was buried
 with all honors of the Orange Society,
 the members of which headed the pro-
 ceSSION, followed by more than a hun-
 dred carriages.
 The deceased was an enthusiastic
 worker in behalf of Orangeism, being
 a member of the Star of Hope Lodge
 of Elgin, and an organizer of it. He
 was also an honorary member of the
 Grand Lodge and attended over 25 ses-
 sions. In his efforts to be of service
 to the lodge he developed into a his-
 torian and lecturer of great ability. His
 services were always in demand. He
 leaves a large host of friends, who
 will feel deeply the loss. His home was
 always open to visitors, who were
 most cordially welcomed. Ex-Governor
 A. E. McLaughlin and Hon. H. F. Em-
 erson were often seen resting there
 in the summer months.
 In politics he was a Liberal. Being
 a great reader and having a very retentive
 memory, his speeches were often
 in demand.
 He leaves behind a widow and four
 children—Mrs. Heber Graves of Elgin,
 Miss Maud Coleman in the States, Wil-
 liam Coleman, Elgin, and Frank Cole-
 man of Moncton.

**DEATH OF AGED ELGIN,
 ALBERT CO. MAN**

(Special to the Sun.)
 MONCTON, N. B., Oct. 8.—The in-
 quest to enquire into the death of Al-
 bert J. Gorman opened here tonight
 after several witnesses had been
 called, adjourned for a week. In the
 meantime an effort will be made to
 secure A. F. Porter, who went to the
 wharf with Gorman the day of the
 drowning, and who is now in Toronto
 where he is ill. The evidence tonight
 was relative to the finding of the body.
 The nature of the bruises on it and
 also the testimony of the boy who saw
 it floating in the river, and the evi-
 dence of Dr. White, who examined the
 body, would indicate that Gorman had
 fallen over the wharf and lay stunned
 on the rocks beneath an arm, and was
 suffocated by the incoming tide.

**H. F. JORDAN IS
 SERIOUSLY ILL**

(From Tuesday's Daily Sun.)
 A despatch from Montreal yesterday
 said that H. F. Jordan, formerly of
 St. John, and lately with the G. P. R.
 at Montreal, was taken to Boston on
 Friday night for treatment. He had
 an arm amputated a year ago and the
 effects of the operation have now seri-
 ously injured his constitution. He is
 expected to recover. Mr. Jordan
 was surveying for the C. P. R. out of
 St. John last summer, but has lately
 been attached to the engineering staff
 in Montreal.
 Mr. Jordan is the son of James G. Jor-
 dan, clerk in the public works depart-
 ment and a brother of G. C. Jordan
 and F. E. Jordan of the Chatham Com-
 mercial.
