PRESBYTERIANS STAND FOR FULL PROHIBITION

MONCTON, N. B., Oct. 3.—The first business transacted at this afternoon's session of the Synod was the settling of the time and place for the next meeting. Rev. Thos. Fowler, in the name of the Ministerial Association of Halifax, cordially invited the Synod to meet there. The invitation was accepted, the Synod to meet in St. Matthew's Church in that city.

Rev. J. D. M. MacGillivray raised a question as to the time of meeting, suggesting that it ought to be earlier in the year, but it was decided not to change the present standing arrangement for the first Tuesday of October.

At this stage the order of business was suspended in order that the Synod might hear Rev. Dr. Mowatt of Montreal, who appeared on behalf of the Point Aux Trembles school. Dr. Mowatt testified to the noble response Synod had made to the various calls from foreign and home mission fields, including the work of French evangelization. Sixty years ago in the face of insuperable difficulties this mission was undertaken. It had been a great success, but never was the necessity greater for continuing this educational and evangelistic work. The need for this work may be indicated by the fact that one-third of the French population in Quebec cannot read or write, and that there are whole parishes where even the school commissioners cannot read or write.

In November, 1846, the boys' school was opened, and shortly after the girls' school. The diamond jubilee of these schools is presently to be celebrated. The old buildings are being renovated and a new one opened at a total cost of $60,000. Present accommodations are not sufficient. It has been necessary to turn away as many as 100 a year. In 60 years 5,000 persons have been educated, and they are found today in all ranks of society. Many are in the Roman Catholic communion and are warm friends of the school because of benefits received. The main object is not to make converts, but to fit pupils for citizenship and to make them better men and women. The outlook for English Protestantism in Quebec is not bright. French Canadianism is growing, doubling itself every 25 years and spreading far into Ontario.

The following resolution was moved by Dr. Murray and seconded by Rev. A. Rogers and adopted:

The Synod thanks the Rev. Dr. Mowatt for his presentation of the claims of French evangelicalism, especially in connection with the Point Aux Trembles schools, and cordially commends their object to the liberality of our people.

The report of augmentation committee was presented by Dr. E. Smith of Musquodoboit. Last year there were 81 congregations on the list and of these 59 had ministers settled on them. The receipts were $10,297, of which $9,701 was contributed by congregations, $153 from donations and $443 from interest. The expenditure had been $10,184, leaving a small balance on right side. This year grants made the amount $9,920. Attention was called to the action of the last general assembly in regard to ministers' salaries, the minimum being raised from $750 and manse to $800.

Dr. Forrest spoke strongly in support of the resolution moved by Dr. Smith.

Dr. MacMillan on behalf of the college board brought up the matter of the increase of salaries for professors. Last year the board had petitioned the general assembly for permission to make an increase and the assembly had remitted the matter to the synod to deal with. The principal and one of the professors had recently had attractive offers from other colleges, but had loyally remained.

The following resolution was moved by Judge Forbes and seconded by Dr. Sedgwick: "The general assembly having remitted to the synod the matter of increasing the salaries of professors, this synod approves of the recommendation of the college board that the salary of the principal be $3,100 per annum with free use of house in which he now lives and that salaries of both Dr. Currie and Dr. McGill be $2,000 per annum with free use of houses in which they live and the others accordingly."

Principal Falconer reported for the committee on education. Small salaries paid to teachers was among other reasons responsible for the serious condition that was growing constantly more acute. Insufficient provision, and in some cases no provision at all, was made in many parts of the provinces.

Rev. R. H. MacPherson, speaking on behalf of the Presbyterians of Inverness, drew attention to the fact that there were districts where out of a population of 65 only 5 could read and write, and out of a population of 33 only one could read and write.

A spirited discussion arose, taken part in by Messrs. Rosborough, Campbell, Dr. Robert Murray, D. McDonald and Hon. B. Rogers. Principal Falconer moved that Presbyterians be asked to forward information with regard to educational destitution within their bounds to the convener of the standing committee of public education at the earliest possible date.

Rev. Dr. Forrest reported for the Hunter church building fund. There was a total capital of $39,776.72, yielding a revenue of at least 5 per cent., giving over $2,000 to the committee yearly without their having to touch the capital.

Rev. Jas. Ross reported for the Century church and manse building fund for New Brunswick, that it was in a flourishing condition.

Between the afternoon and evening sessions there was a pleasing interlude, when the alumni of Halifax College met for their annual supper. It was served in the basement of the church by young ladies of the congregation. Addresses were given by Governor Fraser of Nova Scotia, Dr. Annand, Dr. Mowatt, Rev. D. K. Grant, Rev. E. J. Rattie, Rev. A. D. McKenzie, Dr. Grierson, Dr. Forrest and Principal Falconer.

The first order of the evening was the report of the temperance committee, submitted by Rev. H. R. Grant of New Glasgow. In a strong speech the following resolution was moved by Mr. Grant, seconded by Rev. Geo. McMillan of Kentville, who spoke with especial reference to the work in Kings county, N. S.:

That the synod considers it to be of paramount importance to promote a healthy temperance sentiment as a basis for practical temperance reform, and would urge the sessions to use more generally in Sabbath schools the assembly total abstinence pledge, or in some other way to endeavor to awaken and develop interest among the young people in the interest of total abstinence, and that the great necessity of deepening the sentiment against intemperance by the preaching of sermons and the distribution of suitable literature and co-operation with temperance bodies be emphasized. That the synod expresses appreciation of the services rendered by the W. C. T. U. of the Maritime Provinces, and sends hearty greetings to the N. S. convention, now in session at Springhill. That the synod calls upon the membership of the church to use their influence in securing as town, municipal, provincial and federal representatives men who can be depended upon to place upon our statutes and have carried into effect such laws which will be in accord with our convictions in relation to all moral reforms. That the synod reaffirms the judgment of past assemblies and the synod of our church, that nothing short of prohibition will be the satisfactory method of dealing with the liquor traffic, and calls upon our people in N. S. and N. B. to urge upon our legislators the wisdom of placing upon the statutes a law as effective in every respect as the prohibitory law in Prince Edward Island.

The home mission report was presented by Rev. J. S. Sutherland of Halifax. In our maritime field, he said, we have 160,000 Presbyterians; of these 14,000 are in mission fields under oversight of our committee. We have one superintendent of home missions, 22 ordained missionaries, and 42 catechists. We cannot tabulate spiritual results, but this much we may say: Last year we had 242 added to the communicants' roll in our mission field. As to revenue, last year was a banner year. We received $22,302; of this $5,000 was for the Northwest. The W. F. M. S. has come to support of home missions. The other day the treasurer received $1,267 from them for home mission work. But there were discouragements also; one was the decreasing population and the other was the lack of men suitable for the work. There are thirty vacancies in the Maritime Synod just now. Three stations in N. B. were left all summer without any supply.

A resolution was passed recording the gratitude of the synod at the progress made, recognizing the liberality of the people and especially the W. M. F. Society, deploring lack of men, and trusting that ways and means to provide an adequate supply of laborers may be found.

The report of Halifax College was presented by Dr. John MacMillan. We have reason for great encouragement, he said. Last year we have retained

SPLENDID RACES AT PORT ELGIN

Upwards of Two Thousand People Attend Botsford and Westmorland Agricultural Soc's Exhibition

(Special to the Sun.)

SACKVILLE, N. B., Oct. 4.—The most successful exhibition ever held by the Botsford and Westmorland Agricultural Society came off at Port Elgin today, when upwards of two thousand people from eastern Westmorland were present. Receipts were between three and four hundred dollars, by far the largest in the history of the society. Exhibits in all departments were good and reflected much credit on the farmers in eastern Westmorland. Horses, sheep, roots and ladies' work were exceptionally fine, while cattle, poultry, swine, etc., were about up to the average. Great interest was taken in the races, which were very interesting.

In the 2.40 class the winners were Earl Gray, 1st; Prince, 2nd; Victoria, 3rd. In the three-minute class, Simcoe, 1st; Orange Bell, 2nd; Minnie F., 3rd. The summary was as follows:

2.40 Class.

Earl Gray, Geo. E. Lawrence, Sackville	3	1	1
Prince, Wm. H. Copp, Port Elgin	1	5	2
Victoria, Wm. S. Teed, Sackville	2	4	3
Harry W., Frank Ruworth, Upper Cape	4	3	4
Valton, Blair Lowerison, Sackville	5	4	5

Time, 1.14, 1.14 1-2, 1.16, 1.17.

Three Minute Class.

Simcoe, Murray Jones, Amherst	1	1	1
Orange Bell, Wm. S. Teed, Sackville	3	2	2
Minnie F., Chap. Fillmore, Tidnish	2	3	3
Little Jake, Amos Lawrence	4	4	dr

Time—1.19, 1.19½, 1.17.

Judges, Frank Black and Seaman Bent, Amherst; timers, Fred Ryan and T. J. Horsler, Sackville and Chas. D. Avard, Port Elgin.

The four year old colt Victoria was greatly admired. She is without doubt the finest four year old mare in the Maritime Provinces.

ALBERT COUNTY S. S. CONVENTION

Large Attendance and Interesting Addresses by Rev. J. R. Ganong, the Field Secretary, and Others

HOPEWELL HILL, N. B., Oct. 2.—The Albert county branch of the International Sunday School Association of N. B. and P. E. I. met in annual session in the public hall at Riverside yesterday and today, President J. I. Steeves of Hillsboro presiding. The meetings were well attended throughout, and much interest was manifested. The field secretary, Rev. J. R. Ganong, was present at all the sessions, other clergymen present being Rev. Mr. Wagstaff of Alma; Rev. H. A. Brown of Elgin; Rev. Wiley Smith of Pembroke, Me.; Rev. Chas. Comben of St. John, Rev. Mr. Fash, Rev. A. F. Brown. Those present from different parts of the county besides the clergymen were: J. H. Berrie, G. P. Steeves, Miss Martie R. Smith, D. A. McQuaid, Mrs. McQuaid, Mrs. J. B. Steeves, J. I. Steeves, Mrs. Mary J. Tillmore, Mrs. J. A. Keiver, Miss Almeda Edgett, John M. Keiver, Mrs. Alex. Rogers, Miss Ethel R. Peck, Mrs. A. F. Turner, Mrs. Mary Smith, Mrs. A. F. Brown, E. C. Bishop, Mrs. E. C. Bishop, A. R. McClelan, Mrs. McClelan, Alonzo Stiles and others.

The first session opened at 8 o'clock last evening, with a song service, Miss Annie Copp very efficiently presiding at the organ. The president appointed the following committees: Nominating committee—Hon. A. R. McClelan, James Keiver, Mr. McQuaid; resolutions—Rev. Mr. Wagstaff, Miss Ethel Peck.

The president, after a short but excellent address in which he expressed his deep faith in the importance of Sunday school work, called on the field secretary, Mr. Ganong, who spoke in a most interesting manner on the history, aims and accomplishments of the International Sunday School Association. The speaker referred to the changing of old methods, which, though the best for their day, did not meet the requirements of the changing times. Along this line was mentioned the decline of the parish convention and the establishment of the district convention covering more territory and meeting once a year, which was able to perform much more efficient work. Interest seemed to lag in the parish convention, which included too small a constituency to give the best results. The secretary paid a high tribute to the excellent work of the international association, and considered that opposition with which it had met was largely due to an absence of knowledge of its nature. He had found that the strongest and best schools in the province—the best denominational schools—were those affiliated with the international association, and he read strong endorsements of the work of the association from prominent members of the different denominations. He considered that if there was one line of religious work on which all denominations could unite, it was certainly in connection with the Sunday schools.

Rev. Mr. Brown of Elgin also gave an excellent address on How May the Homes be made more vitally interested in the Sunday school. The speaker advocated very strongly a systematic visitation of the homes by officers and pastors; the establishment of home departments and a cradle roll, and the holding of public exercises in connection with the school. It was also very necessary, he considered, that teachers and superintendents should hold frequent conferences in regard to the school work.

Rev. Mr. Comben also spoke briefly, especially commending the cradle roll, which had the effect of interesting the parents.

The morning session opened with a consecration service led by Rev. Mr. Comben. A report of superintendents of departments was called for, but none of these officers being present, a "round table" was conducted by Rev. Mr. Ganong on "Sunday School Management," after which Rev. Mr. Fash gave an interesting address on the importance of teacher training. The report of the nominating committee was presented, the following officers being chosen for the coming year: W. O. Wright, president T. E. Colpitts, vice president; Mrs. J. B. Steeves, secretary treasurer; superintendents—primary department, Miss Mary E. Cleveland; teacher training, Rev. Z. L. Fash; home, Rev. H. A. Brown; temperance, G. J. Trueman; parish vice presidents—Elgin, Mrs. J. A. M. Colpitts; Coverdale, W. O. Whmot; Hillsboro, W. M. Burns; Hopewell and Harvey, Geo. J. Trueman; Alma, J. A. Cleveland; John I. Steeves, additional member of executive.

The afternoon session opened with devotional exercises, led by Rev. W. Smith, after which the county secretary, Mrs. I. B. Steeves, read a very excellent report of the year's work. The report showed that four parishes of the six had reported to the secretary—Alma, Elgin, Hopewell and Hillsboro. In the parish of Alma two schools reported contributing $6, an increase of $2 over last year. In Hopewell four schools reported, and one contributed the sum of $2.70. In the parish of Hillsboro, where there are twelve schools nine reported, and three contributed, the amount being $30.71, to which should be added $1.61 from a convention at Dawson Settlement. Seven schools reported from Elgin, but none contributed. Since the preparing of the report four schools had reported, making a total of twenty-six, seventeen of which are evergreen. Out of the twenty-five schools only seven have separate primary rooms. There is one home department and one cradle roll. No teachers' meetings were held. One hundred and ten have come into the church from the schools during the year. Amount raised for benevolent objects was $139.30, nearly all of this amount being contributed by the Hillsboro schools. The amount of $78.16 was raised for the work of the N. B. S. S. Association, to date.

Rev. Mr. Ganong spoke for a time on the Home Department, after which Principal Trueman of the Riverside Consolidated school gave a splendid address on The Teachers' Preparation of the Lesson. The speaker referred to the great necessity of the teacher making himself familiar with the facts of the lesson, and the need of presenting the same in an interesting and enthusiastic manner. After all, however, the most important matter was the bringing out of the spiritual truths. A quiet half hour with himself, spent in study and prayer, was a valuable feature of the teacher's preparation for the day's lesson.

Rev. Mr. Wagstaff followed in a very bright address, expressing his appreciation of the valuable hints given by Mr. Trueman.

The evening session opened with a song service, after which Rev. G. E. Whitehouse of Moncton, who arrived on the evening train, gave a magnificent address on The Adult Bible Class, his remarks having special reference to the Christian Brotherhood or adult class of his own school, which had attained splendid results, since its inception. The address, which the speaker preferred to call a talk merely, was one of great eloquence and power, and received very flattering comment. The reverend gentleman was accorded a very hearty vote of thanks.

The committee on resolutions recommended a vote of thanks to the residents of Riverside, and also that each school in future be furnished with a copy of the programme of the county convention one week before the meeting.

The field secretary considered the convention one of the most successful that he had attended in the county.

MAY TAKE OVER ELECTRIC LIGHT PLANT

Sackville Council Now Seriously Considering This Step—Own Water System Already

SACKVILLE, N. B., Oct. 3.—At a meeting of the town council last evening the subject of taking over the electric light plant of the Electric Light and Telephone Company was introduced by Charles Pickard. This will be decided at a subsequent meeting. The experiment of the town taking over the water system has proved a successful venture.

EXCITING STRUGGLE WITH WILDCAT

Animal Was Killed After Hard Battle—Will Camp Out—Transfer of Valuable Property

CHATHAM, Oct. 4.—Two of the crew of the bark Herlof Herlofson succumbed to Chatham's brand of fire water on Saturday night and had to be assisted to the jug. Their captain bailed them out next day.

The Northumberland Co. Teachers' Institute will be held at Chatham Oct. 18th and 19th.

While partridge shooting Maxwell Watling met with a large wild cat, and only succeeded in killing it after an exciting struggle. He is having the animal mounted, and will take it with him to Amherst as a souvenir of his trip to Chatham.

An alarm of fire from box 42 Monday morning called the department out for a blaze in the house occupied by Mrs. James Welsh and family on Upper Water street. The blaze was on the roof and had evidently been started by a spark from the chimney. The firemen soon had the blaze under control and not much damage was done, though the roof was riddled by the streams of water, so great was the force. Neighbors had previously removed the furniture, and this escaped damage by water.

Mr. and Mrs. E. E. Newsind have a novel scheme in view. They arrived here on Saturday from Boston and at once proceeded to look up a suitable camp, where they will lead the simple life and drink in the ozone fresh from the virgin forests. How long they camp out depends on circumstances, but it is likely to be some months. They are now at the Adams House, and on Friday leave for Tabusintac. Yesterday they procured the necessary game licenses from Warden Wyse.

H. H. Hale, representing the American capitalists who are now booming the land at Riverview Terrace, has made another large purchase of property within that town, and shows that he has good reason for predicting a general boom in Chatham's real estate. Monday night Mr. Hale handed Thomas Buckley a check for $100, binding the transfer of fifty acres of land lying beyond the railway tracks along Wellington road.

This is a fine bit of property, and when Mr. Hall takes to developing it, he will redlize largely on his purchase; but at present he says he will hold the land, as its value is going to increase.

The sale at Riverview terrace on Saturday resulted in the disposal of fifteen more lots.

Mr. Hall has also purchased the moose head which James Arseneau brought in from the woods a few days ago, measuring 56 inches. The price paid was $60. Mr. Hall is also after the big fellow that Arch. Fraecker brought out Monday.

Misses Iris and Frances Fish of Newcastle have returned to the U. N. B.

Miss Helen Fotheringham left on Saturday for New York.

Mrs. A. W. Paterson has returned from St. John, and is visiting her daughter, Mrs. E. W. B. Scovil, Pallen Terrace.

Miss Effie Higler, daughter of George Higler, Denver, Col., left on Saturday for her home, after a pleasant visit with relatives here.

J. P. S. Watling of Dalhousie was married on Tuesday to Miss Mary McGivern of Campbellton.

H. B. Curran of Bathurst was in town Saturday.

H. Pont left Tuesday for Montreal on business.

Ven. Archdeacon Forsyth and Rev. W. J. Wilkinson are attending the Synod at Fredericton.

Rev. J. McNeil, who has been assisting in St. Andrew's church, left last night for Scotland.

Miss Annie McDonald returned to Boston Saturday, after spending her vacation with her mother.

Wm. G. Ferguson of Tracadie was in town Monday.

Rev. H. J. and Mrs. Fraser left this morning for Moncton, where they will attend the Presbyterion Synod.

May Stothart of Terryville has gone to Bostou.

Miss Annie Jackson returned to Roxbury Saturday.

Jas. Waddleton left on Saturday for New York.

Miss London, of Toronto, who has been visiting Mrs. Hutchison, left on Saturday for her home.

G. M. Watling is spending a few days with a brother in Shive's Athol.

Melbourn Goggin and Michael Searle left on Monday for a shooting trip.

Mr. and Mrs. Walter Fitch left on Thursday for Chicago.

Mrs. H. Maltby and children spent last week in Bathurst.

John McAllister, K. C., of Campbellton, was in town Friday.

Mrs. Alex Burr returned to St. John on Thursday.

Our Jewish residents have contributed $10 to the funds of Chipman Memorial Hospital, collected at the services incident to the day of Atonement.

Four interesting cases are set for hearing at the session of circuit court to be held next week. Alfred J. Maxwell sues B. L. Moore for $1,000 damages resulting from an assault at Moore's Mills. Owen A. Batson of Welsh Pool sues Magistrate George M. Byron for failure to make returns and for damages for a conviction under the Canada Temperance Act. E. H. Barter sues the St. Croix Paper Co. of Woodland for $5,000 for damages to land. Mrs. Julia C. Chisholm brings an action for ejectment against Walter H. Norwood of Milltown.

Parish councillors have been chosen in Charlotte without opposition as follows: St. Stephen—J. A. Grant, J. A. Bell, Wm. D. Woodcock; St. Croix—D. Johnston, C. B. Lawrence; St. James—W. H. McLaughlin, J. C. McLeod; Dufferin—S. Hannah, F. P. Hunter; St. George—E. McGrattan, Geo. McVicar; St. Patrick—J. W. Stevenson, Harry Acheson. Warden J. H. Dyer retired in this parish after twenty-four years' continuous and valued services. In St. James three candidates appeared. John Webber, with 114 votes, and Howard Beach, with 105 votes, were elected, Robert Smith securing 87 votes.
